

CMSS' Prelude Preschool of the Arts is pleased to offer remote arts-centered programming for children ages 2-6 in the 2020-2021 school year.

And we want YOU to hear the good news first!

Our remote arts-centered preschool program will feature...

Flexible programming to fit any family's needs, whether you're keeping your little one home full time, or you'd like to infuse the arts into your child's after school time.

Daily arts enrichment classes with beloved Prelude teaching artists, featuring music, visual arts, theater, yoga, dance, and more!

Live and pre-recorded daily academic and arts-integrated circle times led by Prelude Director Becca Storozuk and our friends at Enchanted Circle Theater.

Instructional materials that are easy to access, and are caregiver-turned-teacher friendly. Plus, they are available for you to reuse as many times as you'd like.

Learning opportunities that are specifically designed to foster peer connections and social-emotional development for both youngsters and their caregivers.

Enrollment starts next week!

We invite you to follow Prelude Preschool of the Arts' NEW and improved social media platforms to learn more and have access to exclusive content.

Or, please direct your questions to Rebecca Storozuk, Director of Prelude Preschool of the Arts, at rstorozuk@communitymusicschool.com or (413) 750-9560.
