Re: Sheets Prices

Dear Aaron:

After receiving your request for written confirmation, I am writing to confirm our conversation on April 25 in which we informed you that the prices for corrugated sheets you purchase from Georgia-Pacific Corrugated LLC ("GP") as of the date of this letter, will be increased by ten percent (10%), effective for shipments beginning May 22, 2017.

Should you have any questions, please do not hesitate to give me a call.

Regards,

Mark J Hoffman
