

**Beardstown Park District
2019 3rd-6th Grade Tackle Football**

Through the generosity of many, the Beardstown Park District will again be sponsoring a tackle football league this fall. As you may know, it is very expensive to purchase equipment (\$200+ per child for equipment alone) to outfit the kids participating. It has been our goal of making this very affordable – other communities who have begun this charge \$150 per child annually to participate.

To make this work and be affordable, we will be relying on volunteers to help coach and most importantly, parental involvement.

- A. In district – that means parents of children who either live or own property in the Beardstown Park District boundaries will only have to pay \$35 to participate.
 - B. Out of district kids will be allowed to participate, but they must pay an additional \$15 (\$50 total).
 - C. Equipment costs us over \$200 per player. Instead of charging a \$200 refundable deposit to make sure we receive all the equipment back in good shape, we are asking parents to sign a parental consent form making it their responsibility to maintain and return all equipment issued to their child back to us in good shape. Coaches will be involved in helping collect all the uniforms at the end of the season. If not returned, the parent(s) will be held liable for the cost of replacing the equipment missing.
 - D. Practice will begin Monday August 26. Equipment pickup and practice schedule must be picked up August 20th, 21st and 22nd from 3:30-5:00 pm.
