

Spring 2021 Candidate Essays—3rd Degree Candidates

All black belt candidates are required to write an essay.

Drafts should reflect your best effort. They should be full essays and be proofread and re-worked prior to submitting. Treat your draft like a final.

If you would like to submit an outline or an earlier draft to get extra help you are welcome to do so. Please coordinate this with your instructors so they have enough time to review and provide meaningful feedback. This will not change the due date of your official essay draft due on March 5.

Essay Requirements

Essay should be a minimum of 5 pages, typed, double spaced. Standard font and margins.

Prompt: Open topic. You may write on any topic you want as long as it is related to Taekwondo.
