**RULE ONE
APPLICABILITY OF RULES**

1.01 Scope of Rules

- A. These rules shall be applicable to all civil service matters except to the extent that the same are superseded or preempted by the specific terms, provisions, and content of a collective bargaining agreement entered into by and between the City and a public employee collective bargaining representative and a collective bargaining representative, pursuant to Chapter 4117 of the Ohio Revised Code, to the extent that said preemption is permitted by law.
- B. No person shall be appointed, removed, transferred, laid off, suspended, reinstated, promoted, or reduced as an officer or employee in the civil service of the City of Fostoria, Ohio, or in any manner or by any means other than those prescribed in these rules.

1.02 Construction

These rules are to be construed so as to carry out their purposes as determined from both the literal reading of the rules and their context. The rules should be construed and applied in a manner that is consistent with the laws of the state of Ohio, except to the extent that the letter or context of City ordinances indicate that the City intended to supercede, preempt, or otherwise override state law through a valid exercise of Home Rule. The rules should not be construed so as to limit the City's power to exercise Home Rule. Nor should the rules be construed in a way that limits the Civil Service Commission's power to interpret and apply the rules within the scope of their lawful authority. For the convenience of the Commission and the public, certain of these rules indicate instances where the City has elected to supercede state law.

The term "ordinance" in these rules is meant to include formal ordinances, resolutions, or any other actions of Council that are sufficient to carry out exercises of Home Rule or other powers of Council. References to "rules" and "regulations" are interchangeable, unless indicated otherwise.

1.03 Adoption, Amendment, Rescission

Unless otherwise indicated, these rules, and any amendment, revision, or rescission of the same shall be in full-force and effect from and after their publication and adoption by the Civil Service Commission of the City of Fostoria, Ohio; provided that any rules that supercede state law and require amendment or an action of City Council for their effect will take effect in accordance with the amendment or the action of Council.

1.04 Publication

No action of the Commission adopting a rule or regulation, or amendment, revision, or rescission of the same shall be effective until notice of the same with summary of its content has been prominently displayed in the place of employment of the City of Fostoria, Ohio which are frequented on a regular basis- by classified employees and offices of said entities in the discharge of their official duties, and the content of the same has been made available for public review.

1.05 New Rules

The present rules of the Civil Service Commission of the City of Fostoria, Ohio, shall continue in full force and effect until the amendments set forth hereinabove have been properly adopted. Upon the adoption of these amendments, the existing rules shall be rescinded, and these rules shall supersede and replace the same as the rules and regulations of the Civil Service Commission of the City of Fostoria, Ohio.

1.06 Saving Clause

If any section or part of a section of these rules is held by a court of competent jurisdiction to be unconstitutional, or to be invalid for any other reason, said action shall not invalidate or impair the validity, force, or effect of any other section or part of a section of these rules, unless it clearly appears that such other section or part of a section of these rules is wholly or necessarily dependent for its operation under the section or part of a section which has been held invalid.

No additional information will be accepted after the application filing deadline. Failure of an applicant to indicate on his application the qualifications as to education, certification, licensing, or any other requirement shall be sufficient cause to exclude an applicant from examination. A defective or incomplete application may be corrected by the applicant, and resubmitted by the filing deadline. Certification of an individual to an eligible list who has not met all of the requirements of these rules shall not be considered a waiver of any requirements of the same, and shall not bar removal of the applicant from an eligible list by the Civil Service Commission as a result of said failure.

6.12 False Statements

Fraudulent conduct or false statements by the applicant, or by others with his connivance, in any application or examination shall be deemed cause for exclusion of an applicant from any examination, or for removal of his name from an eligible list, or for discharge from service after appointment or employment, provided that the name of no person shall be removed from an eligible list, and no person shall be dismissed from service under this provision without an opportunity to be heard by the Civil Service Commission. Where an applicant is excluded from an examination, he shall be heard by the Clerk of the Civil Service Commission.

This EEO applicant information flow sheet shall be furnished to all applicants for employment or examination.

The completion of the EEO applicant flow information sheet by applicants for testing or employment shall be wholly voluntary, and no applicant shall be adversely affected in any way for having refused to complete such form.

The results of physical, psychological, or drug screening examinations shall be used solely to determine an applicant's eligibility to take an examination, or eligibility for appointment after an examination, and shall not become a part of the applicant's examination score. Records of such examinations shall be treated as confidential medical records to the extent required by law.

E. **Reasonable Accommodation**

Any applicant or candidate who feels that he has been adversely affected by the physical element may request that a "reasonable accommodation" be investigated by the appointing authority.

Requests for such accommodation must be filed as soon as reasonably possible, must be in writing, and must outline the accommodation requested.

Such requests must be filed with the Commission and with the Appointing Authority.

The Commission will then schedule an informal fact-finding meeting to discuss the issue of accommodation and will release its finding within five working days of the conclusion of the informal fact-finding. Such meetings will be held in executive session.

7.09 Admission of Applicants to Examination

- A. No applicant shall be admitted to any assembled examination after the advertised time of beginning such examination. Except by special permission of the person in charge, who, in his discretion, may admit the applicant conditionally, subject to the final approval or disapproval of such admission by the Commission.

All examinations shall be competitive and may include written tests, oral tests, and/or assessment centers, and shall relate to those matters which test the ability of the person being examined to discharge the particular duties of the position sought.
- B. The identity of all examination applicants shall be concealed by the use of an identification number which shall be used on all examination papers. This identification number shall be used from the beginning of the examination until all the examination papers have been rated. Any papers bearing the name of the applicant, or any other identification mark, shall be rejected and the applicant so notified.

7.16 Limitation on Original Appointments: Police and Fire

Positions above the rank of police officer in the Division of Police or regular firefighter in the Division of Fire may not be filled by original appointment, except the position of Chief of Police and Chief of Fire. (See also 10.09.)

7.17 Promotional Examinations: Fire

- A. Promotional examinations for positions within the Division of Fire shall relate to those matters which test the ability of the person examined to discharge the particular duties of the position sought and may be in writing or other forms, provided, however, that in examinations for positions requiring the operation of machines, or equipment, practical demonstration tests of the operation of such machines or equipment may be part of the examination, so long as said demonstrations and tests afford consideration of reasonable accommodations which may be necessary for disabled persons to permit them to perform the essential functions of the position to which appointment is sought.

- B. The public notice of a holding of a promotional examination for a position or positions in the Division of Fire shall, unless waived by all persons eligible to participate, be published not less than 30 days prior to the examination, and shall contain a description of the source of the material from which any written examination questions are prepared. Such source material shall be readily accessible to the examinees. Failure to comply with this requirement shall render void the pursuant examination. This paragraph shall not prohibit the use of questions having answers based upon experience in the fire service within the Division of Fire of the City of Fostoria, Ohio;

**RULE EIGHT
GRADING, ADDITIONAL CREDIT, AND
INSPECTION**

8.01 Minimum Passing Score

- A. The Civil Service Commission shall endeavor to ascertain the minimum passing grade; as determined by the compiler of any professionally prepared civil service test. When available in advance, this information will be included on all test notices.

- B. Applicants must achieve the minimum passing score, excluding any additional credits provided by these rules, as a prerequisite for further consideration for employment or appointment, and for certification to an eligible list.

If the test includes multiple portions, for example, the use of a written test plus an oral test, the Commission will score all portions of the test before determining that an applicant can receive extra credit that can only be granted to those achieving the minimum, 60% passing score (for example, seniority credit on a promotional exam).

8.02 Original Appointment Veteran's Credit and Veterans Preference

Any applicant for original appointment who is a resident of Ohio, who is a veteran of military service as described in R.C. 124.23, who was honorably discharged or transferred to reserve duty with evidence of satisfactory service, and who otherwise meets the qualifications of that section, may file with the Commission a certificate of military service or honorable discharge for extra credit for military service. The applicant must submit proof of prior to participation in the examination. The Commission shall grant additional credit of 20% of the total grade given in the regular examination to any applicant who files for the extra credit and qualifies, provided that he has first received a passing grade on the examination.

Such requests for veteran's credit must be submitted to the Commission along with the application for examination and must, at that time, be accompanied by proof of military service as described above. Veteran's credit requested after the final date for test application will not be honored.

Applications eligible for veterans credit on original examination shall receive a priority in ranking over non-veterans who obtain an identical grade.

8.03 Promotional Seniority Credit

- A. In promotional examinations, additional credit for seniority in the civil service of the City, the State, or any other political subdivision shall be added to the examination grade. No credit for seniority shall be added to an examination grade unless the applicant achieves at least the minimum passing score on the examination, absent any extra credit.

Notwithstanding the previous paragraph, no person who has resigned a classified position in a police division or a fire division will receive seniority credit for service prior to such resignation.

Furthermore, any person who has either been convicted of a felony within the meaning of R.C. 124.34 or removed from his position in connection with such a conviction or the underlying facts, is barred from receiving seniority credit, to the extent the Commission may disallow credit under that section. This paragraph is not meant to imply any other limitations on the Commission's authority regarding such person.

- B. Credit for seniority shall equal, One point shall be added for each of the First four (4) years of service and six-tenths of a point shall be added for each year for the next ten (10) years (up to a maximum of 10.0 points) of service. Half of the credit above shall be given for a half year of service.
- C. In computing the credit for seniority in the Division of Fire, one-half (.5) of the credit set out in subsection (B) above shall be given for one-half (.5) year of service. Credit for service shall be based only on service with the same appointing authority.
- D. An approved leave of absence is not a separation of service; therefore, seniority service credit for purposes of promotion will continue to accrue during such leave.

8.04 Addition of Credits

- A. Applicants for original appointment shall be entitled to only such credit as is set forth in 8.02 (relating to veteran's credit).

- B. Applicants for promotional appointments shall be entitled to only such credit as is set forth in 8.03 (relating to seniority credit).
- C.

In scoring all original and promotional examinations, no additional credit shall be given to any applicant, unless such applicant has achieved the minimum passing grade without the addition of any additional credit.

8.05 Inspection and Grading of Examination Papers

- A. After any promotional competitive examination has been held, and prior to the grading of such examination papers, any participant in said examination shall have a period of five business days, exclusive of Saturdays, Sundays, and holidays, in which to inspect the questions, the scoring keys, or answers to the examination, and to file any protest he may deem advisable. Such protests must be in writing, contain the authority relied upon, and shall remain anonymous to the Commission. All protests with respect to rating keys or answers shall be determined by the Commission within a period of not more than five business days following the date on which the final protest is received, exclusive of Saturdays, Sundays, and holidays; and the Commissioners decision shall be final. If the Commission finds an error in the scoring key or answers, it shall publish a revised scoring key within five business days of the date of its determination of such error or errors. The revised scoring key or answer shall then be available to participants for a period of five business days, exclusive of Saturdays, Sundays, and holidays, subsequent to the publication of the revised scoring key.
- B. A written report of the grades of the applicants shall be submitted by the testing entity to the Civil Service Commission, and the results posted at the office of the Mayor and the Civil Service Commission.
- C. After notice of a score has been received, each participant shall have the right to inspect his own examination papers together with the rating key. Inspection must occur within five days following the posting of the grades. The Commission shall consider all protests, make changes as warranted, and then establish the eligible list. No grades shall be changed after the posting of any eligible list. Inspection shall not be permitted of standardized tests prepared by experts outside of the City's service.
- D. All papers, except actual examinations to be given, medical records, EEO information, or recommendations of former employers submitted by participants in any examination shall be open to public inspection during office hours upon application to the Commission, provided such application

is made during the period in which persons whose names appear on the eligible list resulting from such examination are eligible for appointment.

- E. Any person who inspects the questions, scoring keys, or answers during the periods set forth in paragraphs (A) or (C), or pursuant to paragraph (D) of this section, shall be thereafter prohibited from taking the same examination for such a position in the classified service; provided, however, that the Commission may waive this prohibition if it finds that the examination and scoring key or answers are not similar to those of the examination that had been examined.

- F. In the event, positions in the Fire Division or Police Division are utilizing a commercial third party written examination, all challenges shall be submitted to that vendor for clarification. If the answer is not accepted within 5 days, the Fostoria Civil Service will place an inquiry to the vendor for an answer.

RULE NINE ELIGIBLE LISTS

9.01 Preparation of Eligible Lists

The Commission shall prepare and keep open to public inspection, from the results of each examination, an eligible list of those persons whose general average score in the examination is not less than the minimum passing grade, and who are otherwise eligible for appointment. Such persons shall be ranked upon the eligible list as candidates in the order of their relative excellence as determined by the examination without reference to priority of the time of examination. Whenever it becomes necessary to hold a subsequent examination in order to obtain additional eligible candidates, the Commission may consolidate existing lists for the same class by rearranging the names of those eligible therein according to their score. All those persons whose names appear on an existing list, which is to be merged with a new list, shall have an opportunity to compete in the second examination.

9.02 Term of Eligible List

The term of eligibility may be fixed by the Commission for at least one, but not more than two (2) years. When an eligible list is reduced to ten names or less, a new list may be prepared. The Commission may consolidate two or more lists of the same kind by the rearranging of eligible candidates named therein, according to their grades.

9.03 Ties - Original Appointment Eligible Lists

In the event that two or more applicants receive the same score in an original appointment examination, priority in the time of filing the application with the Commission shall determine the order in which their names shall be placed on the eligible list; provided that applicants eligible for veterans preference under section 124.23 of the Revised Code shall receive priority in rank on the eligible list over non-veterans on the list with a rating equal to that of the veterans. Ties among veterans shall be decided by priority of the filing of the application.

9.04 Ties - Promotional Eligible Lists

- In the event that two or more applicants receive the same mark on a promotional examination, seniority shall determine the order in which names shall be placed on the eligible list.

9.05 Disqualification from Eligible List

 - 1. fails to report, or arrange to report, or arrange within a reasonable time for an interview with an appointing authority; or

The potentially disqualified person shall be notified concerning the application of this section unless his whereabouts are unknown. The disqualified candidate's name may again be certified from the eligible list only where a thoroughly satisfactory explanation of the circumstances is made to the Commission. In the event of the refusal of an appointment by an eligible candidate, the appointing authority shall so notify the Commission.
- B. In case an eligible person's name appears on more than one list, appointment to a position in one class shall be considered a waiver for appointment from eligible lists for classes in which the salary is equal or lower.

- C. If, at any time after the creation of an eligible list, the Commission has reason to believe that any person whose name appears on any list is disqualified from appointment because of false statements made on his application, inability to perform the job duties, lack of a necessary license, lack of insurability, or for other comparable reasons; such person shall be notified and given an opportunity to be heard. If such person shall fail to appear for hearing, or upon being heard, fail to satisfy the Commission, his name shall be removed from such eligible list.

9.06 Removal from an Eligible List

Names may be removed from an eligible list by the Civil Service Commission in accordance with these rules, for the following reasons:

1. the written request of the eligible;
2. the expiration or revocation of the list;
3. failure of the person listed on the eligible list to - fulfill all of the requirements and qualifications set out by or under these rules;
4. the refusal or neglect of the eligible within six calendar days after notice of appointment to accept appointment upon certification, unless a waiver of such appointment is sought by the eligible and approved by the Civil Service Commission;
5. the failure of the appointing authority to select the eligible upon more than three certifications; and
6. the death of the eligible.

9.07 Duty of Eligibles

Each person on an eligible list shall file with the Commission written notice of any change of address, and failure to do so may be considered sufficient reason for not certifying his name to the appointing authorities for future appointment.

9.08 Revocation of Eligible List

An eligible list may be revoked and another examination ordered only when, in the judgment of the Commission, such action is deemed advisable by reason of errors, fraud, or obviously inappropriate standards prescribed in connection with any examination. All competitors in the first examination shall be notified and shall be eligible to compete in the rescheduled examination without filing a separate application or payment of an additional fee. No eligible list shall be altered or revoked, except upon written notice to all persons whose standing may be affected and upon an entry in the minutes of the Commission of the reasons for such alteration or revocation.

9.09 Separate Lists for Police and Fire

Notwithstanding 9.01, separate eligible lists shall be maintained for original and promotional appointments in Police and Fire Divisions. No person may be transferred from one list to the other, and appointments and promotions shall be made only from the eligible lists maintained by each department.

RULE TEN APPOINTMENTS AND PROMOTION

Upon the receipt of this, the Commission shall, except as otherwise provided in ORC 124.27, 124.30 (relating to provisional appointments); and 124.31 (relating to promotions) of the Revised Code; and these rules, certify to the appointing authority the names and addresses of the ten candidates standing highest on the eligible list for the class or grade to which the position belongs; provided that the Commission may certify less than ten names if ten names are not available. When less than six names are certified to an appointing authority, appointment from that list shall not be mandatory.
- B. The appointing authority, having notified the Commission of the position to be filled, and having received such list may then appoint. Except as provided in 10.08 with respect to promotion within the Police and Fire Divisions, the appointing authority shall fill such position by appointment of one of the ten persons certified. If more than one position is to be filled, the Commission may certify a group of names from the eligible list, and the appointing authority shall appoint in the following manner: Beginning at the top of the list, each time a selection is made it must be from one of the first ten candidates on the list who is willing to accept consideration for the position.
- C. If an eligible list becomes exhausted and until a new list can be created; or when no eligible list for such position exists, names may be certified from eligible lists most appropriate for the group or class in which the position to be filled is classified.

A veteran of military service, who has been honorably discharged or separated under honorable conditions therefrom, and who is a resident of Ohio, and whose name is on the eligible list for a position, shall be entitled to preference in an original appointment to such competitive position over any other person eligible for such appointment and standing on the list thereof with a rating equal to that of each such person. (See Rule 8.02.)

10.05 Probationary Periods

- A. All original appointments, including provisional appointments made pursuant to 124.30 of the Revised Code, shall be for a probationary period of not less than 60 days and not more than one year. All promotional appointments shall be probationary for a period of six months.

10.06 Removal or Reduction During Probation

If the service of a probationary employee is unsatisfactory, he may be removed or returned to his prior position without right of appeal at any time during the probationary period. In the case of the removal of a probationary appointee, the appointing authority shall immediately notify the Commission when the

appointment is to be terminated. Such notification shall be in writing and state the reasons therefore.

10.07 Provisional Service

Any employee in the classified service of the City of Fostoria who is appointed provisionally to fill a vacancy and who remains in provisional status in the same classification series for a period of two years of continuous service, during which period no competitive examination is held, shall become a permanent appointee in the classified service at the conclusion of such two year period.

10.08 Promotional Appointments: Police and Fire

With the exception of the Chief in the Division of Police, and the Chief in the Division of Fire, in the case of a promotional appointment to be made in the Division of Police or Fire, the Commission shall certify to the appointing authority the name of the person standing highest on the list. Upon such certification, the appointing authority shall appoint the person certified within 30 days of certification; ten days in the case of an appointment within the Division of Fire. After such examination has been held in the Division of Fire, an eligible list shall be established within 20 days of the final date of the revised rating key or answer inspection date and the Civil Service Commission shall certify the person receiving the highest grade.

10.09 Promotional Restrictions: Police and Fire

- A. With the exception of Chief of the Division of Police and Chief in the Division of Fire, vacancies above the rank of regular firefighter in the Division of Fire, and above the rank of patrol officer in the Division of Police, shall be filled by a competitive examination for promotion from among persons holding the next immediate lower rank. No such position shall be filled by original appointment.
- B. When a vacancy occurs in the promoted rank immediately above the rank of regular firefighter, no person shall be eligible to take the examination unless he has served 36 months in the rank of regular firefighter, provided in those cases where there are less than two persons in the rank of regular

Firefighter who have served 36 months therein and are willing to take the examination, the 36 month service requirement does not apply.

When a vacancy occurs in a promoted rank, other than the promoted rank immediately above the rank of regular firefighter, no person shall be eligible to take the examination unless he has served 12 month in the rank from which the promotion is to be made, provided in those cases where there are less than two persons in such next lower rank who have served 12 months therein and are willing to take the examination the 12 months service requirement shall not apply.

- C. No person in the Division of Police shall be promoted to a position in higher rank who has not served at least 60 months in the next lower rank.

- F. If, even by opening the test to probationary employees, there are not two eligible people willing to take the promotional examination, the Civil Service Commission shall allow the nonprobationary persons in the then next lower rank to compete with those persons in the rank lower than the position to be filled.
- G. The above process shall be repeated in a downward progression until such time as there are at least two candidates to take the competitive examination.
- H. If, after exhausting all ranks, two eligible test takers cannot be located, then a provisional appointment can be made.

10.10 Temporary or Exceptional Appointment

Positions in the classified service may be filled without competition as follows:

- A. Whenever there are urgent reasons for filling a vacancy in any position in the classified service and the Commission is unable to certify to the appointing authority, upon request by the latter, a list of persons eligible for appointment to such position after a competitive examination, the appointing authority may nominate a person to the Commission for noncompetitive examination. If such nominee

is certified by the Commission as qualified after such noncompetitive examination, that person may be appointed provisionally to fill such vacancy until a selection and appointment can be made after competitive examination. Such provisional appointment shall continue in force only until a regular appointment can be made from eligible lists prepared by the Commission. Such eligible list shall be prepared within six months, provided that an examination for the position must be held within said six month period from the date of such provisional appointment.

- B. In case of an emergency, an appointment may be made without regard to these rules for a period not exceeding 30 days, but in no case shall successive appointments be made.
- C. In case of a vacancy in a position in the classified service where peculiar and exceptional qualifications of a scientific, managerial, professional, or educational character are required, and upon satisfactory evidence that for specified reasons competition in such special case is impracticable, and that the position can best be filled by a selection of some designated person of high and recognized attainments in such qualities, the Commission may suspend the provisions of section 124.01 to 124.06 of the Revised Code and these rules requiring competition in such case, but no such suspension shall be general in its application. All such cases of suspension shall be reported in the annual report of the Commission with the reasons for this suspension of the rules.
- D. Where the services to be rendered by an appointee are for a temporary period, not to exceed six months, and the need for such service is important and urgent, the appointing authority may select for such temporary service any person, including any person on the proper list of those eligible for permanent appointment. Successive temporary appointments to the same position shall not be made under this division. The acceptance or refusal by an eligible of a temporary appointment shall not affect the person's standing on the register for permanent employment; nor shall the period of temporary service be counted as a part of the probationary service in case of subsequent appointment to a permanent position (sections 124.27, 124.27.1, 124.30 of the Revised Code). All such temporary appointments shall be promptly reported to the Civil Service Commission.

- E. Interim or temporary appointments made necessary by reason of sickness, disability, or other approved leave of absence of regular officers or employees shall continue only during such period of sickness, disability, or other approved leave of absence, subject to rules to be provided for by the director.

Persons who receive interim, temporary, or intermittent appointments shall serve at the pleasure of their appointing authority. An officer or employee may not appeal to the State Personnel Board of Review or the Commission any disciplinary action taken by an appointing authority as a result of the officer's or employee's conviction of a felony. - B. A person convicted of a felony immediately forfeits the person's status as a classified employee in any public employment on and after the date of conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the removal, unless the conviction for the felony is subsequently reversed or annulled.
- C. Any person removed for conviction of a felony is entitled to a cash payment for any accrued but unused sick, personal, and vacation leave as authorized by law. If subsequently reemployed in the public sector, such person shall qualify for and accrue these forms of leave in the manner specified by law for a newly appointed employee and shall not be credited with prior public service for the purpose of receiving these forms of leave.

- B. The procedure for the removal of all employees under the provisions of this rule shall be the same as is provided in section 124.34 of the Revised Code and the Rules, except that the decision of the Commission shall be subject to appeal to the court of common pleas of Seneca County. Such appeal shall be taken within ten days from the finding of the Commission.

- C. In cases of removal or reduction in pay for disciplinary reasons, either the appointing authority or the officer or employee may appeal from the decision of the State Personnel Board of Review or the commission to the court of common pleas of the county in which the employee resides in accordance with the procedure provided by section 119.12 of the Revised Code.

11.05 Procedure: Police and Fire

Upon receipt from an employee or officer in the classified service of the City of a timely appeal from an order of removal, reduction in pay or position, or suspension for more than three working days, the Commission shall set a time and place to hear such appeal and shall notify the appropriate appointing authority, as well as the employee and his attorney, if known, of the time and place of the hearing. The Commission may permit the introduction of evidence otherwise excludable under such rules where a foundation, establishing the reliability and credibility of the evidence, its relevance and materiality, and its necessity, has been established. The appellee and appellant may be represented by counsel or other representative. The Civil Service Commission may be represented by independent legal counsel and the cost of such representation will be paid by the City.

12.05 Burden of Proof

The appointing authority shall prove, by a preponderance of the evidence, the factual allegations contained in the disciplinary order. Failure to prove each of the allegations contained in the order does not require disaffirmance or annulment of the appointing authority's order by the Commission.

12.06 Hearsay

The Commission may permit the introduction of evidence otherwise excludable as hearsay provided there is established some foundation as to its reliability and its necessity.

12.07 Discovery

An adverse party's response, by affidavit or otherwise, shall set forth specific facts showing there is a genuine issue in dispute.

The Commission may record hearings either by the use of a stenographer, or other recording technology.

12.12 Resignation Before Final Action

A certificate of mailing shall be considered sufficient proof of mailing.
 2. The Commission may extend the time to file objections or responses to the report and recommendation.
 3. Objections to reports and recommendations should include a brief statement of each statement of the case and a concise statement of each area of disagreement with supporting arguments and memoranda. All parties objections or responses must be limited to evidence presented at the hearing. Objections and responses to objections containing arguments based on evidence not already in the record may be stricken.
 4. No objection without a certificate of service may be considered by the Commission.
