NOTICE OF PUBLIC HEARING

SUFFICIENCY OF INSTRUCTIONAL MATERIALS

The Castle Rock Union Elementary School District will hold a public meeting to determine the District's sufficiency of instructional materials for the 2021-2022 school year. The definition of "sufficient textbooks or instructional materials" means that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and; sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum framework, and; to insure that complete and accurate information has been provided upon which to base the Board's findings, governing boards may wish to include in their resolution the names of the textbooks or instructional materials programs, or both, that have been adopted by the Governing Board and were provided to pupils in the district to determine the sufficiency. Whereas, sufficient textbooks or instructional materials were provided to each pupil in health classes, and; therefore, it is resolved that for the 2021-2022 school year, the Castle Rock Union Elementary School District has provided each pupil with sufficient textbooks and instructional materials aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks.
