AFFIDAVIT OF CORY M. CLARK IN SUPPORT OF DEFENDANTS' MOTION FOR PARTIAL SUMMARY JUDGMENT

Cory M. Clark submits the following affidavit:

1. I am a competent witness and make this Affidavit of my own personal knowledge.
2. I am the Assistant Network Coordinator at Kramon & Graham, P.A., and provide information technology support to the attorneys at Kramon & Graham, P.A.
3. In that capacity, I: (i) downloaded Plaintiffs' Answer to Interrogatory No. 5, which Plaintiffs provided as a pdf document, into an excel spreadsheet, (ii) sorted the spreadsheet by date, (iii) extracted all tows that occurred before April 26, 2013, and (iv) pasted the information pertaining to those tows into the list attached as Exhibit B-1. Each tow in Exhibit B-1 is identified by the name of the member of the "plaintiff class" and the date of the tow.
4. I then: (i) re-sorted the tows listed in Exhibit B-1 by "customer name," (ii) extracted all tows that originated in a lot owned or manage by Defendant Patner before April 26, 2013, and (iii) pasted the information pertaining to that subset of tows into Exhibit B-2.

I solemnly affirm under the penalties of perjury and upon personal knowledge that the contents of the foregoing Affidavit are true and correct.
