‘Growers Helping Growers’

Wisconsin Giant Pumpkin Growers is a social organization committed to teaching, and sharing of growing information of giant fruits and vegetables in the Wisconsin area. We also work to introduce people to, and provide a means of sharing information and friendship about the art, sport, and challenge of growing giant fruits and vegetables. Our membership of friendly growers, growing events, weigh-offs, meetings, presentations and educational seminars, along with our website and Facebook presence, will provide all of the support necessary for large fruit and vegetable growers

The WGPG started as a group of giant pumpkin growers in central Wisconsin in 1984, and grew to become a non-profit 501 (4) c organization with members across the entire world!

As a 501(4) we are required to determine yearly the positions of Officers and Board of Directors.

The WGPG determines the members in these positions by the vote of its members. This has usually been done by the attendees at the Spring Meeting.

Because of Co-Vid, it has been decided to vote in-person, by mail, or by email.

Every position will be voted on by current club members. Please let someone in the Club know if you or someone you know are interested in any of the positions! You can contact wgpg@mwt.net to ensure your voice is heard.

Currently the following 11 (eleven) positions are voting positions for approval of proposals and actions of the WGPG and will be filled at the Spring Meeting held March 13th after the Spring Seminar in Wisconsin Dells.

A very brief description of possible duties and expectations for these positions:

Board of Directors – Chairperson (1)

Represents the decisions of the BOD for inclusion of policy, rules, etc.....

Board of Directors (6)

Research, review, propose, enact and vote on issues that the WGPG is involved in.

President
