The Community Job Fair presented by Career Services at Sam Houston State University is an annual job fair event showcasing area employees looking to expand their business and hire applicants from the community. Booths may be reserved by area businesses to display company literature and discuss with applicants the qualifications they are searching for. For job seekers, this event is free and open to the public. There will also be free seminars every hour that feature topics of interviewing skills, resume tips and social media practices. Professional headshots will also be available for \$25 each on behalf of Tara Flannery Photography.
