WINTER BULLETIN

Message from President Mary Williams

It's hard to believe that 2015 is already here and we are hosting the NFRW national biennial convention in September! Obviously, this is a big push for our state as well as sister states Nevada and New Mexico. We will talk more about both the conventions (NFRW and AzFRW) at our meetings in February and May. The May meeting is where we will elect our Delegates-at-Large and our Alternates-at-Large for the NFRW Convention. In May, the Nominating Committee will also conduct their interviews to determine their recommendations for our officers next term. Please see the website if you would like

an application to apply. Deadline is April 15, 2015.

In Tucson, those with Gaslight reservations will head out for an evening of AzFRW fun at the old-time melodrama and we will begin our meetings in earnest on Friday concluding with our luncheon on Saturday. Dinner will be on your own Friday evening followed by Bling Bingo...or you may order dinner while trying to win sparkly prizes.

We are aware that we had a few hiccups with rooms at this hotel in Tucson last time. Be advised that this is being closely monitored (and actually inspected) by Helms Briscoe, our booking entity. We will also not be using the far rear meeting room this time so should be clustered around the restaurant and front banquet rooms.

I personally want to welcome all our new Club presidents on board. We are here to help you and hopefully by the time this goes out, I will have managed to speak with each of you on the phone.

We could not go to press this month without extending sincere congratulations to our newly elected Republican state officials! I also want to thank outgoing Governor Jan Brewer for her years of dedication and service to the State of Arizona. She has truly exemplified an involved Republican Woman and led the way for all of us.

As always, THANK you for all you do across Arizona!

Convention News from Co-Chairs Margo Treece and Mary Baumbach

Are you ready for 2015? It is an exciting year for us as we prepare to showcase Arizona to Republican Women who will be attending the NFRW Biennial Convention from across the United States. It will still be a little warm in September, but the hotel is beautiful and our shopping is second to none. Not to

mention the gorgeous sites to see.

We will all have an opportunity to participate in what is expected to be the most exciting NFRW Convention in a decade. If you are in a position to help financially, we need you! If you are in a position to volunteer, we need you! If you are in

a position to attend so we have an awesome Arizona presence, we need you! We have a little over eight months to show off our wonderful State and the talented women of the AzFRW! Get ready to dazzle our guests!

Winter Meeting Loraine Pellegrino, 1st Vice President

Happy New Year friends!

Knowing that both our State and Nation have Republican majorities in the House and Senate, and that Republican leaders are occupying every statewide office in Arizona, is certainly reason for real optimism in 2015 and beyond. We have a great opportunity to bring sound fiscal and conservative principles to the front and win more Americans to our cause.

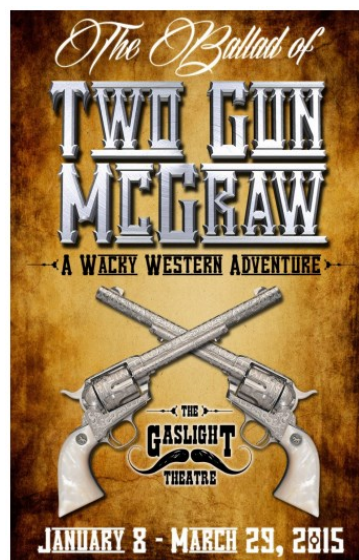

Political life is always exciting! In addition to the 2016 Presidential Preference and General Elections, the 2015 AzFRW and NFRW Biennial Conventions will be here before we know it! Every AzFRW member should be saving the date and getting involved in the planning as we are the hosts of this event. One more reason not to miss any State meetings!

Join us in wonderful Tucson in February for our Winter Meeting. The AzFRW is honored to welcome distinguished guests **Cindy McCain and Rep. Martha McSally**. **Kim Owens**, Executive Director of *Dodie Londen Excellence in Public Service Series Program* will present a "Women In Leadership" workshop. In addition, "Free Market Warrior" **Loren Spivack** will present a workshop on capitalism, socialism, and freedom! Mr. Spivack is a popular author, economist, political activist, and highly sought after speaker on economics and small government. As you can see, this meeting will be both fun and educational - time well spent together.

Cultivating informed and persuasive Republican Women will always be our goal. It is our contribution and a truly formative weapon towards electing Republicans in our county, state, and country!

Yours in Freedom and Liberty,

Loraine Pellegrino

Membership Report

Joan Lang, 2nd Vice President

Happy and prosperous 2015 to all of our 1800 plus members! Last year was a good year for AzFRW. We have the honor of having the largest club in the nation here in Arizona as well as having the best members in the nation! Thank you for all of your hard work.

As we get started with this new year, I hope your clubs will continue with your successes of last year. I have enjoyed visiting with you and hope to get to more of our clubs this year. Membership is an all encompassing umbrella that your Membership Chairman carries. Membership is not just about numbers, although that is a very important part of it, but membership also includes every aspect of how your club operates. Not only how

you recruit new members, but how you retain your existing ones. Your Membership chair knows your members better than most of the other officers in your club because she has a bit more contact with them.

Have you asked some new ladies to be on your board or committees? Don't keep recycling members between various jobs, as that just makes your club stale. Every year you need to bring on new members who will bring new ideas to your club functions. Try not to take 'no' as the final answer from a possible new volunteer; ask in such a way that she can say yes. Offer choice, flexibility and meaningful involvement. Be sure to check in with your new members and make sure that the office or committee they are working on is a good fit. The last thing you want is for the required tasks not to get done because the volunteer does not have

an interest. If it turns out that it isn't a good match, then find another place for that person. Do not let her walk away!

Always try to say 'yes' when a new member has an idea that will help propel your club forward. Do not be afraid of new ideas, new people or new directions. Let your committed members know when your club is looking for additional help and ask them to spread the word among their friends. Good people generally hang around together, so this recruiting tool usually works well. If each of your existing members recruited just one new member, what effect would that have on your roster? You do the math!

Lastly, have fun. If you are not having a good time pursuing your clubs goals, who is going to want to belong to your club in the first place?

AzFRW Website Update

AzFRW's website has been updated with a fresh new look for 2015. Club pages have been streamlined and no longer hold outdated old newsletters. If your club is consistent about sending in their newsletter each month, a private club page can be set up. Clubs with websites have a direct link to their own sites. We hope to present a website workshop in Tucson to show how simple and cost effective it is build and maintain your own websites.

AzFRW Members Only page is now obscured for privacy and there are two ways to access: Go to the "About" page on the website and look for the AzFRW logo on the lower part of the page which will open the Members Only page for you. (The adjacent NFRW logo will also lead you to the NFRW site) or you may direct access to the page by going to:

www.azfrw.com/members-only.html

Please bookmark this location on your computers for future reference. Check out our unofficial hosting website for the 2015 event

www.Arizona2015.com

NFRW will post their own information sometime later this year and we will add links at that time. In the meantime, we're working hard to raise funds!

Treasurer's Two Cents

Susan Marcell, Treasurer

As of this writing, it appears that the Club Treasurers haven't been given their user names and passwords yet so they will not be able to access the new data base. I've also been checking the system and have not able to get in with the user name and password I was given at my training session in Dallas. I'm still planning on doing a Go-to-Meeting type training session once the new system is up, so I will keep checking

and keep you informed.

In the meantime, I suggest you keep an excel file of your membership since I'm sure that you will simply be copying and pasting it into the new system with a few small quirks dealing with duplicate members and members without emails. Remember, if a member does not have or does not want to report their phone or email, do not put "NONE" or some other word, simply leave blank. Also, do not put middle initials or titles such as Dr. or Honorable, etc. We have to remove

those when we set up the lists for the Constant Contact mailing lists and it can get to be cumbersome.

You will still need to send in your voucher with your check and the number of members you are reporting by the 15th. If you wish to include a copy of your excel that's fine. If you need another copy of the voucher or a template for the membership excel file, email me at LSMarcell2@gmail.com.

Thanks and I will be in contact to let you know when we will do some kind of training.

Scholarship Report

Pat Lutes, Scholarship

The Arizona Federation created their own proprietary scholarship in 1988 as a way to assist young Republican women with their higher educational pursuits and as a way promote education while recognizing Arizona's outstanding young Republican women graduating from Arizona high schools. The AzFRW Laura Bush Scholarship is funded by the generous donations of our member clubs. Donations also earn AZ achievement award points. The criteria for the application and an application can be found on the AzFRW

web page.

The Scholarship Committee welcomes **Lori Oien** as the newest member of the 2014- 2015 Scholarship Committee. Lori serves as our new TARS Liaison and will assist the Committee in evaluating applications and in awarding the 2015 AzFRW Dodie Londen TARS Memorial Scholarship. Lori will be posting a **new** application for this scholarship on the AzFRW Web page. The deadline for this Scholarship is May 1st. The **AzFRW Dodie Londen TARS Memorial Scholarship** is funded directly from donations from our member clubs and funded each year by the AzFRW Executive Committee's "approved operating budget" approved by our members.

Clubs and Members are also encouraged, to honor deceased members, family or friends as an "additional way" in lieu of floral bouquets to help fund the AzFRW Laura Bush scholarship program for 2015. **Memorial gifts** will be recognized in the AzFRW Bulletin Newsletter and in the biennial Convention Program Guide. A current AzFRW Scholarship Memorial Donation Form can be downloaded from the AzFRW Web Page.

NFRW President
 Kathy Brugger has assigned the NFRW Regions and their Region Directors. Arizona is in NFRW Region 5 along with Texas, Oklahoma, Indiana and Michigan.
Not confirmed yet but we are hoping our Region Event will be the Southern Leadership Conference that the Oklahoma Federation is actually hosting in May.
 Details to follow.

Another year has gone by in a flash. This last year was full of campaigning for our favorite candidate; there were some wins and some losses. Now is the time to come together to educate and promote Republican ideals and values. My region continues to reach out and grow their clubs. We are having a Region VI event on February 7, 2015. We will be meeting at Mi Amigo's in Mesa for Training, a great lunch and fellowship. If you would like to attend, please let me know.

Tempe Republican Women

Tempe Republican Women is off to a great start for the new year!

At our board meeting, we approved a membership referral contest – the winner of which will win a \$100 VISA gift card! Each new member referred is an entry into the contest, which we hope will stimulate incentive to bring new people in.

We have an exciting line up of speakers planned for the year, stay tuned to TempeRW.org for announcements as we get closer to the meetings.

We also found an excellent deal on flyers and have implemented a plan to start door to door events every month, hoping to introduce ourselves to Republican women of Tempe. This, coupled with our tabling adventures around Tempe with LD 26 Republicans, is our main focus to gain more attention for our organization and to, hopefully, attract new members. There are thousands of people to talk to, but we are ready and excited to tackle this project.

We have a lot of work and a lot of fun ahead for us all. We are looking forward to the experience.
