- **How do initial cleaning visits differ from regular cleaning visits?** Two Ladies Cleaning, LC will perform a complete cleaning package on every cleaning visit. Typically, initial cleaning visits will take longer to perform. In most cases 3 to 5 times longer than regular cleaning visits. However, the cleaning team is performing the same tasks that you will receive on each cleaning visit. Keep in mind that in addition to leaving your home at the "Two Ladies Cleaning, LC Standard" of clean, the team is also familiarizing themselves with your home, knick knacks, etc. Just the same as with most careers, tasks performed in repetition yield efficiency. Rest assured the team's efficiency will improve with your regularly scheduled cleaning visits.
- **What time will the cleaning team arrive?** *Typical* cleaning times are between 8am-5pm during our client's peak working hours. While we would love to guarantee arrival times or provide arrival windows, this would destroy what makes us unique from other cleaning services. We only employ full time career House Cleaners. To provide full time employment, we must provide a full-time work load. We could provide arrival windows with a part time staff, however, part time staff usually results in part time quality. We offer our clients unparalleled flexibility such as rescheduling cleaning visits for parties or other events, upgrading cleaning packages on request, adding ala-carte services, adding rooms, etc. Take away this flexibility and it becomes easy to provide arrival windows. Most cleaning services that provide arrival windows leave every home on-time regardless of completion. Two Ladies Cleaning, LC will never leave a home incomplete to arrive at the next home at a specified arrival window. Keep in mind that our staff is trained to clean around children, families, elderly, etc. Our busiest time of year is during summer vacation when the kids are home from school. There are many other factors that affect arrival time such as geography (To maintain affordable cleaning rates, the team must travel the most efficient route.), frequency of service, employee illness, employee injury, traffic and weather conditions, cleaning dates surrounding holidays, etc. We appreciate your patience with arrival times.
- **How should I prepare my home for cleaning?** The cleaning team appreciates if the client prepares the home for cleaning by providing a clutter-free environment. If that environment is not present, the team may not be able to fully complete your cleaning package. The cleaning team cannot perform organizing duties. The client assumes the responsibility of notifying Two Ladies Cleaning, LC prior to your cleaning visit of items or areas of your home that may be damaged by our regular cleaning methods, should not be cleaned, require unique cleaning methods, etc.
- **Do I need to be home during my cleaning visit?** Not at all. Most of our clients are busy individuals. This why we offer our "secure garage code, alarm code, or key system". We will return your home to the original secured position after exiting. However, if you or your family members are home, that's ok too. After all, it is your home. It is the client's responsibility to provide access to the home on the day of the cleaning visit. If the cleaning team cannot access your home, then a \$37.50 lock out fee is due. This allows us to recover a *portion* of the expenses involved with this situation.
- **What if I'm on vacation?** Not a problem. For this is the reason we offer our "secure garage code, alarm code, or key system". We will return your home to the original secured position after exiting. Come home to a clean home!

- **How does my team know my preferences?** Our cleaning teams are furnished an electronic device which include your personalized preferences. Your cleaning team is always aware of exactly what is important to you.
- **What if I need to reschedule a cleaning visit?** Never a problem. Just contact us at least 1 *business day* prior to your regularly scheduled cleaning date and we will gladly perform your reschedule request. Of course, cleaning dates are on a 1st come 1st serve basis. Obviously rescheduling will require 2-way communication so rescheduling cannot occur outside of regular business hours. Reschedule requests or cancelled appointments with less than 1 *business day* advance notice will incur a \$37.50 fee due to short notice. This allows us to recover a *portion* of the expenses involved with this situation.

If possible, please contact our office 1 business day in advance so that we may add the requested services to the cleaning schedule, adjust invoicing, and if necessary schedule the cleaning team to arrive at work early to accommodate your request.
- **What payment methods do you accept?** We prefer:    . Our policy to charge credit cards 1 business day in advance of services so that our cleaning team may deliver a paid invoice during your cleaning visit.
