MARYLAND	HB0102 Chapter 488	Real Property - Actions for Possession - Pet Protections	Effective 6/1/23	Signed into law 5/8/23
AFFECTED: Landlords, Complainants, Pet Owners SPECIES: Domesticated Cats or Dogs CLASSIFICATION: Removal of pets from real property				
<ul style="list-style-type: none"> • Applies to action for possession of real property filed after 11/1/23 by landlord against a tenant or complainant against person holding possession of real property • Requires Department of Agriculture to develop and publish on its website by 10/1/23 a fact sheet on how a person may care for and protect any pets in the event of an eviction or loss of property – must include state and local resources including shelters and rescues – must update on regular basis • Requires landlord executing a lease on or after 11/1/23 to include a link to the DOA fact sheet above within the lease if landlord knows the tenant has a pet • Requires Maryland Judiciary to include link to fact sheet with any warrant issued on and after 11/1/23 • When possession of real property is given to landlord or complainant, the sheriff, constable or other official must inspect the property for pets and provide the tenant or person who had the property with the pet • If tenant or person who held property is not present at time property is delivered, the sheriff, constable or official must contact an animal shelter or rescue to take the pet, provide the tenant or person who held it with name and contact information where pet was taken and provide the shelter or rescue with the name and contact information of the owner • Prohibits leaving removed pet on public property or a public right-of-way 				
MARYLAND	HB0325 Chapter 588 SB0390 Chapter 589	Provision of Veterinary Services – Practice of Veterinary Medicine and Rabies Vaccines	Effective 10/1/23	Signed into law 5/8/23
AFFECTED: Veterinarians, Animal Control Facility SPECIES: N/A CLASSIFICATION: New License				
<ul style="list-style-type: none"> • Allows board to issue license to animal control facility to administer drugs to sedate and/or euthanize animals AND rabies vaccines – owner must apply for and be issued license – 1 individual must be designated to administer them – annual fee is \$100 • Board may reject an application for animal control authority or revoke or suspend a license for failure to comply with regulations • Animal control facility must comply with training requirements and must allow inspections • Moves provision allowing Board to authorize practice of health occupation on animal by health care practitioner from section 304(e) to 305.1 • Requires board to establish expedited process to allow veterinary practitioner licensed to practice in another state or jurisdiction to become licensed in the state • Requires Secretary of Health to provide system that allows a veterinary technician, clinical staff who work in or for an animal shelter, or animal control facility to administer rabies vaccine IF 1) the shelter or facility is licensed to administer drugs, 2) animal is under custody or control of animal shelter or facility, 3) veterinary practitioner that signs certificate ensured individual administering it was properly trained, and 4) individual administering it is identified on certificate • Requires State Board of Veterinary Medical Examiners to report to General Assembly by 12/1/23 the status of the expedited process to license veterinarians licensed in other states along with any financial support needed 				

MARYLAND	HB0608 Chapter 211 SB0535 Chapter 212	Human Relations - Housing Discrimination - Service Dogs	Effective 10/1/23	Signed into law 4/24/23
AFFECTED: Handlers SPECIES: Service Dogs CLASSIFICATION: Ban Housing Discrimination				
<ul style="list-style-type: none"> • Defines service dog as dog trained to do work or perform tasks for an individual with a disability and excludes animals meant to deter crime or provide emotion support, well-being, comfort or companionship • Bans discrimination in the sale or rental or otherwise make unavailable or deny a dwelling to an individual with a disability who has or obtains a service dog or keeps their former service dog after retirement from service • Makes a person who has, obtains or retains a service dog is exempt from provision of a leasing or rental agreement banning dogs and from additional rent or fee for the dog, may keep a retired dog for its life, and is liable for damages by the dog 				
MARYLAND	HB0626 Chapter 447 SB0560 Chapter 448	Animal Testing and Research - Human-Relevant Research Funding and Animal Testing and Research Contributions	Effective 7/1/23	Signed into law 5/8/23
AFFECTED: Researchers SPECIES: Research Animal CLASSIFICATION: Creates Fund & Board; Requires Payment				
<ul style="list-style-type: none"> • Creates Human-Relevant Research Fund to promote state-funded research that develops human-relevant alternatives to using non-human animals in medical and product testing • Fund is administered by Corporation, is nonlapsing, and is separate • Fund consists of revenue distributed to it, state budget appropriations, interest earnings, and other sources and is used to award grants and loans to those above and pay administrative costs • Corporation shall create grant and loan program for state-funded human-relevant research with human-relevant alternatives – recipients must enter into memorandum of understanding establishing scope of state’s ownership in commercialization and benefits of results of research and reflects intellectual property policies • Requires corporation to contract with independent scientific review board to become Human-Relevant Research Review Board • Requires Board to review, evaluate, rank and rate research proposals based on Corporation procedures and guidelines that consider scientific, medical and ethical implications AND then make recommendations for grants and loans • Board members may NOT receive a grant and are subject to conflict of interest standards at least as strict as Federal National Institutes of Health • Requires annual report from Corporation and Board by Jan 1 to Governor and General Assembly on research progress funded by grants with each recipient, amount of money and description of research • Requires research facilities required to submit APHIS form 7023 to by Jan 15 each year to pay contribution to Department of \$5000 for 100 animals, \$10,000 for 101-500 animals, \$55,000 for 501-5000 animals, and \$75,000 for 5001+ animals based on the APHIS form – Requires Secretary to distribute funds to Human-Relevant Research Fund – Failure to pay is civil penalty up to \$1000/day 				

MARYLAND	HB0676 Chapter 591	Cemeteries – Interment – Pet Remains	Effective 10/1/23	Signed into law 5/8/23
AFFECTED: Owners SPECIES: Deceased Pets CLASSIFICATION: Revises pet internment				
<ul style="list-style-type: none"> • Adds that interment includes pet remains including those cremated • Preneed burial contract must include name of pet if applicable • If preneed burial contract has 2 or more pets for which preneed goods or services of trust apply, sellers may designate consideration paid for each pet • Registered cemeterian, registered crematory operator, or permit holder with business that operates cemetery, crematory, or burial goods that sells public cremation services, burial lots and burial rights for pet remains which perpetual care is stated or implied owes duty of perpetual care 				
MARYLAND	SB0910 Chapter 758	Maryland Veterans Service Animal Program – Definitions – Therapy Horse	Effective 10/1/23	Signed into law 5/16/23
AFFECTED: Handlers SPECIES: Therapy Horses CLASSIFICATION: Revises Definitions				
<ul style="list-style-type: none"> • Redefines therapy horse to no longer require Professional Association of Therapeutic Horsemanship International member centers to be premier accredited 				
MICHIGAN	HB 4988 of 2023 PA 128'23	Agriculture: animals; livestock licensing fees; modify.	Effective Immediately	Signed into law 9/29/23
AFFECTED: Dealers; Brokers; Agents; Truckers; Auctions; Buying Stations; Collection Points SPECIES: Livestock CLASSIFICATION: Requires License				
<ul style="list-style-type: none"> • Requires license to be livestock auction, dealer, broker, agent, trucker, buying station, or collection point that must include nature of business, address of applicant, address of business operations, and if they are a livestock yard • Fees are nonrefundable and through 10/1/27 are: \$400 for Class I (auction), \$250 for Class II (buying station), \$50 for Class III (dealer, broker, agent, collection point), and \$25 for Class IV (trucker) • Creates late fee for renewal applications postmarked or received after October 1 of \$10 per business day – late fee for new applications for which the person is operating a business is \$10 per business day – Maximum late fee is \$100 • All administrative and noncriminal fines and license fees must go to agriculture licensing and inspection fees fund • If buying or selling by weight, must employ a weighmaster • Department must issue a license within 60 days of receipt - if application is incomplete, must notify applicant within 30 days of receipt and the 60 days starts after information is received • If not issued within 60 days, department must return fees and provide 15% off the next renewal application – department may not discriminate against such applications in processing them • Applications and any applicable bonding or other security requirements must be submitted by October 1 each year • Livestock auctions and buying stations need surety bond or other security – bond must be state-registered company to indemnify persons from whom livestock is bought and sold – amount must be approved by director and must equal gross dollar volume in average week of prior license year and at least \$1500, except that if gross volume was over \$25,000, it must be increased \$1000 for every \$5000 over – exempt if paid a bond for a federal act in an equivalent amount 				

- Requires records of purchases and sales for the purpose of determining bond that must be available upon request – livestock auctions with no prior activity have bond based on probable sales
- If bond is less than required due to increase in sales or out-of-state claim, department may require additional bond and license may be suspended or revoked if not paid – if bond or security is cancelled, then license is automatically suspended with opportunity for hearing
- Must notify department 60 days before cancelling a bond
- Dealer or broker may conduct business at business site
- Person engaged in business of transporting livestock or negotiating or soliciting such transport but does not buy, sell, resell, exchange, negotiate, or solicit sale, resale or exchange of livestock must be licensed but is exempt from bonding
- Dealer, broker, agent, or trucker must notify director of address change within 5 days
- Change in ownership of livestock auction must be reported in 5 days
- Dealer and broker must file by January 1 a sworn statement of average weekly sales and statement of number and species purchased and sold the prior year
- Fees are waived for honorably discharged veterans

MICHIGAN	SB 0148 of 2023 PA 314'23	Animals: research facilities; reporting requirements and penalties for noncompliance; provide for.	Effective Immediately	Signed into law 12/13/23
----------	--	--	-----------------------	--------------------------

AFFECTED: Research Facilities SPECIES: Research Dogs & Cats CLASSIFICATION: Requires Reporting, Creates Penalties

- Requires research facilities to submit annual report by March 31 with attestation of compliance with the act
- Creates penalties for research facilities:
 - 1) violation of 8a (requiring adoption of animals) after notice and opportunity for hearing is administrative fine up to \$1000 for 1 animal, up to \$2000 for 2-3 animals, up to \$3000 for 4-9 animals or prior violation, up to \$5000 for 10-24 animals or 2 prior violations, and up to \$10000 for 25+ animals or 3 or more prior violations - may be warning instead of fine one year after law takes effect
 - 2) civil fine up to \$2500 for failure to submit report
 - 3) misdemeanor for all other violations
- Creates laboratory animal fund and deposits the administrative fines into the fund

MICHIGAN	SB 0149 of 2023 PA 315'23	Animals: research facilities; certain research facilities to offer certain laboratory animals for adoption before euthanization; require.	Effective Immediately	Signed into law 12/13/23
----------	--	---	-----------------------	--------------------------

AFFECTED: Research Facilities, Dealers SPECIES: Dogs & Cats CLASSIFICATION: Requires adoption of animals

- Requires research facilities and dealers to maintain records of purchase, sale, transportation, and handling of dogs and cats AND keep the records and the report under SB 148 for 5 years
- Requires department to keep a list of all research facilities in MI on its website
- Requires research facility to offer animal directly to employees or MI animal protection shelter before euthanizing it if veterinarian determines it suitable for adoption
- Allows research facility to enter into agreement with animal protection shelter stating that the shelter assumes all risks with the animal's behavior
- Requires animal protection shelter to enter into agreement with adopter with acknowledgement that it was a research animal and may require adopter to accept all risk

NEBRASKA	LB296	Adopt the Pet Insurance Act	Effective 1/1/24	Signed into law 4/21/23
AFFECTED: Owners, Insurers SPECIES: Pets CLASSIFICATION: Regulates Pet Insurance				
<p>Creates Pet Insurance Act</p> <ul style="list-style-type: none"> • Includes insurance issued to state residents, those sold, solicited, negotiated or offered in the state and those delivered in the state • Requires pet insurers that use the terms chronic condition, congenital anomaly or disorder, heredity disorder, orthopedic condition, pet insurance policy, preexisting condition, renewal, veterinarian, veterinary expenses, waiting period, or wellness program in their policy to use the definition given in the bill and include that definition in the policy along with in a clear and conspicuous link on main page on the insurer's website, pet insurer program's website or both – does not limit exclusions insurers may use • Requires pet insurer to disclose 1) any coverage excluded due to preexisting condition, heredity disorder, congenital anomaly or disorder or chronic condition, 2) "Other exclusions may apply. Please refer to the exclusions section of the policy for more information" if any other exclusions, 3) any coverage limited by waiting or affiliation period, deductible, coinsurance, or annual or lifetime policy limit, 4) whether coverage is reduced or premiums are increased based on claim history, age of pet, or change in geographic location, and 5) if underwriting company differs from brand • Allows pet insurance applicant to examine and return the policy, certificate or rider within 30 days if they are unhappy for any reason as long as they have not filed a claim • Requires pet insurance policies, certificates and riders to have instructions for completing a return on the first page or attachment with the information listed • Pet insurers must clearly disclose a summary of the basis or formula used to determine claim payments in the policy and include it on the insurer's website, pet insurer program's website or both • Requires pet insurer that uses benefit schedule to clearly disclose the schedule in the policy and disclose all benefit schedules through a clear link on the website • If claims are based on usual and customary fees based on veterinary provider service charges, policy must include the limitation provision along with the basis in calculating it and disclose on the website • If a medical examination is required, the insurer must disclose aspects of examination before issuance • Insurer must disclose waiting periods and applicable requirements before purchase, provide summary of all provisions required in the law under a separate "insurer disclosure of important policy provisions.", post disclosure of these items on the website, provide copy of these provisions in 12-point type, a written disclosure with address and customer service number and statement advising customer to contact insurance producer for assistance • Allows insurer to provide coverage exclusions based on preexisting conditions if disclosed • Allows policies to include waiting periods up to 30 days for illness or orthopedic conditions not from an accident (bans waiting period on accidents or policy renewals) but must include provision allowing it to be waived after an examination by veterinarian that is paid for by policyholder unless insurance pays it – can require reasonable elements of the exam • Prohibits veterinary examination for renewals • If policy includes prescriptive, wellness, or noninsurance benefits, then they are part of the policy subject to such laws • Eligibility for insurance must not be based on participation in wellness program 				

- Prohibits insurers from marketing wellness program as pet insurance and marketing it during sale or solicitation of pet insurance and lists the restrictions of wellness programs
- Insurance producers must be licensed and trained to sell or solicit insurance
- Violation is unfair trade practice
- For telehealth, reimbursement must be comparable to in-person health care if provider has in-person health care services in physical location in NE or is employed or has privileges at licensed facility in NE that provides in-person
- Requires National Provider Identifier

NEVADA	AB159 Chapter 144	Revises provisions governing crimes relating to cruelty to animals.	Effective Immediately	Signed into law 5/31/23
--------	--------------------------------------	---	-----------------------	-------------------------

AFFECTED: Animal Abusers SPECIES: Companion Animals; Cats; Dogs CLASSIFICATION: Adds Exclusions

- Adds NRS 574.100 subsection 6 (willfully and maliciously torturing or unjustifiably maiming, mutilating, or killing a companion animal or dog or cat) to various laws:
 - Provision stating crimes for which prison credits may NOT be deducted from minimum term or minimum aggregate term of a sentence
 - Provision for which court may NOT defer judgment for a defendant
 - Provision making the maximum period of probation or suspension of sentence 60 months
 - Provision stating crimes for which a person may NOT be early discharged from probation
- Makes the provisions applicable only to crimes committed on or after the effective date

NEVADA	SB269 Chapter 166	Revises provisions related to animal cruelty.	Effective 10/1/23	Signed into law 6/1/23
--------	--------------------------------------	---	-------------------	------------------------

AFFECTED: Owners; Rescue Operations SPECIES: Dogs CLASSIFICATION: Revises Exemptions

- Reduces the time for restraining a dog during a 24-hour period from 14 hours to 10 hours
- For exemptions for restraining dogs, 1) removes those being kept in a boarding facility, 2) replaces being kept in a shelter with being processed into a shelter, 3) replaces the temporarily being cared for by rescue operation in conjunction with bona fide nonprofit organization formed for animal welfare purposes WITH temporarily for less than a month either being cared for by a rescue operation in conjunction with an animal rescue organization or camping, and 4) adds being walked by a person on a leash

NEVADA	SB342 Chapter 445	Revises provisions relating to the study of veterinary medicine.	Effective Immediately & 7/1/23	Signed into law 6/13/23
AFFECTED: Veterinarians SPECIES: N/A CLASSIFICATION: Exemption from Repaying Stipend				
<ul style="list-style-type: none"> • Current law requires those participants who participated in Nevada Office program who receive stipend (financial assistance to attend in-state college or university) to practice in a health professional shortage area or area with medically underserved population - Those who studied veterinary medicine are now exempt from the requirement • Appropriates \$8 million to Interim Finance Committee for the Western Interstate Commission for Higher Education to enter into a contact with the University of Utah to implement a program to provide stipends for the out-of-state tuition of 70 residents earning a doctor of veterinary medicine degree at College of Veterinary Medicine at Utah State University from 7/1/24 to 6/30/34 – Must be a resident a year • Appropriation above must be committed for expenditure by 6/30/25 and must be spent by 9/19/25 or it reverts to the General Fund • Appropriates \$79,719 for fiscal year 2023-24 and \$76,132 for 2024-25 for a Program Officer I to carry out the program above, which must be committed for expenditure by June 30 of the 2nd year listed and must be spent by 9/20/24 or 9/19/24 or it reverts to General Fund 				
NEW HAMPSHIRE	HB249 Chapter 149	AN ACT establishing regulatory standards for the pet insurance industry and allowing restaurant owners to keep their dog on the premises.	Effective 1/1/24	Signed into law 7/28/23
AFFECTED: Pet Insurers; Owners SPECIES: Pets; Dogs CLASSIFICATION: Regulates Pet Insurance; Allows dog in restaurant				
<p>Creates Pet Insurance Section</p> <ul style="list-style-type: none"> • Requires pet insurers that use the terms chronic condition, congenital anomaly or disorder, department, heredity disorder, pet insurance, preexisting condition, renewal, veterinarian, veterinary expenses, waiting period, orthopedic, or wellness program in their policy to use the definition given in the bill and include that definition in the policy along with in a clear and conspicuous link on main page on the insurer's or pet insurer program administrator's website • Includes insurance issued to state residents, those sold, solicited, negotiated, or offered in the state and those delivered in the state • Law does not prohibit or limit exclusions or require exclusions • Requires pet insurer to disclose 1) any coverage excluded due to preexisting condition, heredity disorder, congenital anomaly or disorder or chronic condition, 2) "Other exclusions may apply. Please refer to the exclusions section of the policy for more information" if any other exclusions, 3) any coverage limited by waiting or affiliation period, deductible, coinsurance, or annual or lifetime policy limit, 4) whether coverage is reduced or premiums are increased based on claim history, age of pet, or change in geographic location, and 5) if underwriting company differs from brand • Allows pet insurance applicant to examine and return the policy, certificate, or rider within 30 days if they are unhappy for any reason if they have not filed a claim • Requires pet insurance policies, certificates, and riders to have instructions for completing a return on the first page or attachment with the information listed • Pet insurers must clearly disclose a summary of the basis or formula used to determine claim payments in the policy and include it on the insurer's or pet insurer program administrator's website 				

- Requires pet insurer that uses benefit schedule to clearly disclose the schedule in the policy and disclose all benefit schedules through a clear link on the website
- If claims are based on usual and customary fees based on veterinary provider service charges, policy must include the limitation provision along with the basis in calculating it and disclose on the website
- If a medical examination is required, the insurer must disclose aspects of examination before issuance
- Insurer must disclose waiting periods and applicable requirements before purchase, provide summary of all provisions required in the law under a separate "insurer disclosure of important policy provisions.", post disclosure of these items on the website, provide copy of these provisions in 12-point type, a written disclosure with department's address and toll-free toll number and website, insurer/agent/broker's address and customer service number, and statement advising them to contact any agent or broker for assistance
- Allows insurer to provide coverage exclusions based on preexisting conditions if disclosed
- Allows policies to include waiting periods up to 30 days for illness or orthopedic conditions not from an accident (bans waiting period on accidents) but must include provision allowing it to be waived after an examination by veterinarian that is paid for by policyholder unless insurance pays it – can require reasonable elements of the exam
- Prohibits veterinary examination for renewals
- If policy includes prescriptive, wellness, or noninsurance benefits, then they are part of the policy subject to such laws
- Eligibility for insurance must not be based on participation in wellness program
- Prohibits insurers from marketing wellness program as pet insurance and lists the restrictions of wellness programs

Dog Law:

- Allows restaurant owner to have their properly disciplined companion dog in the restaurant if not in food production or preparation areas and sign is displayed that dog is in restaurant and will be removed from a public area if service dog is present

WASHINGTON	HB 1077 Chapter 59	Concerning courthouse facility dogs.	Effective 7/23/23	Signed into law 4/13/23
AFFECTED: Courts; Witnesses SPECIES: Courthouse Facility Dogs CLASSIFICATION: Revises Law				
<ul style="list-style-type: none"> Allows court to exercise discretion in using a courthouse facility dog Gives courthouse facility dog with a certified handler access to 1) a courthouse, 2) any location where the dog and handler provide services, participate in administrative activities, engage in community outreach or participate in training, 3) any location related to law enforcement investigation that requests their presence, 4) matters pending in civil or criminal justice system Adds that authorized locations include places of public accommodation, all modes of public transportation, children's advocacy centers, schools, day care facilities, law enforcement agencies, prosecutors' offices, attorneys' offices, medical facilities, specialty courts, and court-appointed special advocates and guardian ad litem program offices Handler may be required to show identification card from accredited assistance dog organization Adds that motions to include a courthouse facility dog must include reasons why the dog would reduce anxiety and elicit testimony – Adds that such motions may be verbal or written When court approves such dog, it must include basis for determination Requires accredited assistance dog organization that trains and certifies courthouse facility dog handlers to issue an identification card to each handler working in WA – must include "Certified Courthouse Facility Dog Handler", complete legal name of handler and name and contact information for the organization along with a specific statement that the dog and handler can enter all places listed above Revises definition of certified handler to require them to be trained by ACCREDITED organization and that their knowledge must include victim advocates, forensic interviewers, detectives, prosecuting attorneys, and guardians ad litem Revises definition of courthouse facility dog to require that they demonstrate continued proficiency in providing safe and reliable services through ongoing training based on organization's standards, provide companionship to both witnesses and potential witnesses during interviews, examinations, meetings, and other encounters with law enforcement investigation and legal proceedings, and includes travel as needed between locations 				

WASHINGTON	SB 5319 Chapter 40	Concerning pet insurance.	Effective 1/1/24	Signed into law 4/6/23
AFFECTED: Pet Owners; Insurance Companies SPECIES: Pets CLASSIFICATION: Revises				
<ul style="list-style-type: none"> • Requires pet insurers that use the terms chronic condition, congenital anomaly, heredity disorder, orthopedic, pet insurance, preexisting condition, renewal, veterinarian, veterinary expenses, waiting period, or wellness program in their policy to use the definition given in the bill and include that definition in the policy along with in a clear and conspicuous link on main page on the insurer’s website, pet insurer program’s website or both – does not limit exclusions insurers may use • Requires pet insurer to disclose 1) any coverage excluded due to preexisting condition, heredity disorder, congenital anomaly or congenital disorder or chronic condition, 2) "Other exclusions may apply. Please refer to the exclusions section of the policy for more information" if any other exclusions, 3) any coverage limited by waiting or affiliation period, deductible, coinsurance, or annual or lifetime policy limit, 4) whether coverage is reduced or premiums are increased based on claim history, age of pet, or change in geographic location, and 5) if underwriting company differs from brand • Allows pet insurance applicant to examine and return the policy, certificate or endorsement within 15 days if they are unhappy for any reason as long as they have not filed a claim • Requires pet insurance policies, certificates and endorsements to have instructions for completing a return on the first page or attachment with the information listed • Pet insurers must clearly disclose a summary of the basis or formula used to determine claim payments and include it on the insurer’s website, pet insurer program’s website or both • Requires pet insurer that uses benefit schedule to clearly disclose the schedule in the policy and disclose all benefit schedules through a clear link on the website • If claims are based on usual and customary fees based on veterinary provider service charges, policy must include the limitation provision along with the basis in calculating it and disclose on the website • If a medical examination is required, the insurer must disclose aspects of examination before issuance • Insurer must disclose waiting periods and applicable requirements before purchase, provide summary of all provisions required in the law under a separate "insurer disclosure of important policy provisions.", post disclosure of these items on the website, provide copy of these provisions in 12-point type, a written disclosure with address and customer service number and statement advising customer to contact insurance producer for assistance • Allows insurer to provide coverage exclusions based on preexisting conditions if disclosed • Allows policies to include waiting periods up to 30 days for illness or orthopedic conditions not from an accident (bans waiting period on accidents or policy renewals) but must include provision allowing it to be waived after an examination by veterinarian that is paid for by policyholder unless insurance pays it – can require reasonable elements of the exam • Prohibits veterinary examination for renewals • Eligibility for insurance must not be based on participation in wellness program • Prohibits insurers from marketing wellness program as pet insurance and marketing it during sale or solicitation of pet insurance and lists the restrictions of wellness programs • Insurance producers must be licensed and trained to sell or solicit insurance 				

WASHINGTON	HB 1234 Chapter 246	Concerning the civil forfeiture of animals seized for abuse or neglect.	Effective 7/23/23	Signed into law 5/4/23
AFFECTED: Owners; Law Enforcement; Animal Control SPECIES: Animals CLASSIFICATION: Revises Seizure Laws				
<ul style="list-style-type: none"> • Allows law enforcement or animal control officer in addition to seizing an animal with a warrant that is held in violation of the prohibition of having animals if guilty of abuse or neglect to also seize an animal in violation of the animal cruelty in the 1st degree (intentionally causes substantial pain, physical injury or kills an animal; starves, dehydrates or suffocates animal with criminal negligence and animal dies or has substantial pain; engages in sexual conduct with animal) and in violation of animal cruelty in 2nd degree (knowingly, recklessly or with criminal negligence inflicts suffering or pain; has control or custody of animal used in fighting and abandons the animal with criminal negligence causing bodily harm or risk of such) • Allows law enforcement or animal control to enter private property without a warrant and render emergency aid to the animal or seize it and take it to a veterinarian for attention if they believe the animal is in imminent danger or is suffering physical injury or infirmity and needs immediate medical attention • Law enforcement and animal control who seizes an animal without a warrant is not liable for damage from entry if no more force than necessary is used • Seized animals can be placed with animal care and control agency, foster care not associated with owner, nonprofit humane society, nonprofit animal sanctuary or nonprofit rescue organization – must consider animal’s needs when considering placement – such entity must provide minimal care as defined • If animal goes to foster care, animal sanctuary or rescue organization, the seizing agency retains custody, must make sure it has minimal care and may withdraw from the bond and give to the entity • Owner of seized animal must be given notice of right to petition for immediate return of the animal and be given time to petition for a civil hearing before the animal is abandoned and forfeited • Requires notice of circumstances of seizure within 72 hours to known or suspected owner that must include name, business address and phone of agency that seized it, description of animal, authority and purpose for seizure with date and time, statement that owner is liable for care and must post bond within 14 days of seizure, statement that owner has right to petition for immediate return of animal within 14 days • Changes bond for seized animal to amount sufficient to provide minimum care for 30 days that must be posted within 14 days after seized or animal is deemed abandoned and forfeited • Failure to file petition by 14th day will constitute waiver of right to file a petition – May extend to additional 14 days if petitioner did not receive notice and there are exceptional and compelling circumstances • Requires court to set civil hearing within 30 days of filing a petition for return – rules of civil procedure apply and respondent must prove that there was probable cause animal was in violation – owner has chance to be heard – if probable cause, owner must post bond in 72 hours or animal is forfeited; if no probable cause, animal must be returned and may allow attorney fees paid for owner and refund of the bond • If bond is posted, court proceedings shall be given priority • If bond expires, owner must post additional bond within 72 hours of expiration or animal is forfeited • If animal is seized from person prohibited from owning or caring for one or an order of animal cruelty in the 1st and 2nd degrees, animal is immediately forfeited and placed with entity without court action • If forfeited, agency may place with new owner if it is not with family members or friends of the owner or someone in the household • Custodial agency may have veterinarian or veterinary technician euthanize animal if severely injured, sick, diseased or suffering 				

- Allows voluntary relinquishment of animal
- Court action is not required for taking custody of, caring for and disposing of stray, feral, at-large or abandoned animal or wild animals not kept as pets or livestock
- Petition for civil hearing for immediate return of animal must in form listed

WASHINGTON	HB 1424 Chapter 208	Concerning consumer protection with respect to the sale and adoption of dogs and cats.	Effective 7/23/23	Signed into law 5/1/23
------------	--	--	----------------------	---------------------------

AFFECTED: Sellers, Buyers, Adopters SPECIES: Dogs; Cats CLASSIFICATION: Modifies Pet Store Allowance

Modifies the provision allowing retail pet stores that sold dogs before 7/25/21 to sell dogs by requiring:

- Dogs to only be sold at location on retail pet store’s business license
- Dogs to come directly from breeder (including out-of-state) or a USDA broker that obtains dogs from such breeder if it provides all applicable federal and state license numbers
- Possession of documentation from breeder or broker that dog was not separated from mother before 8 weeks and breeder’s compliance with dog breeding limit and condition requirements
- Obtaining all USDA inspection reports of breeder within last 3 years and maintain for 5 years after dog is sold
- Including in any advertising the range of prices that a breed of dog or dogs with certain traits are sold, age of dog, and applicable state and federal licenses
- Posting on bulletin board or kiosk visible from entrance the purchase price, age and breeder’s name, kennel name, city and state, and applicable licenses
- Disclosing before sale the purchase price, applicable federal and state license numbers and list of violations on federal or state inspection report in last 2 years
- Allows retail pet store to provide space and care for animals by animal care and control agency or rescue group for adoption – dog and cat cages need label with certificate of source and name and address of agency
- Violation is Class 1 civil infraction up to \$250 – if 3+ violations in 1 year then can no longer sell dogs or cats
- Prohibits lessor from financing consumer lease for purchase of dog or cat and one on or after effective date is void
- Voids all retail installment transaction after effective date
- Prohibits licensees from financing or making loan for purchase of dog or cat – ones on or after effective date are void

WASHINGTON	SB 5439 Chapter 44	Concerning livestock identification.	Effective 7/23/23	Signed into law 4/6/23
