

RUSH POOL INC. MEMBERSHIP INFORMATION

Welcome to our swimming pool! The Rush Pool has been in existence for over fifty years. During the summer, members have access to the pool during regular hours with certified life guards on duty. Members can also access the pool with their key card during other hours. The pool is heated and lit during the evening hours. The pool is available for parties hosted by members on a first-come, first-serve reservation basis. Please note these are not private events; other members are allowed to swim during these parties in order to maximize pool use by all members. Membership is limited to 100 families to maintain the atmosphere of a personal pool.

Currently a membership with stock ownership is priced at \$1,000.00. New members also pay a \$100.00 non-refundable membership transfer fee. The \$1,000.00 membership fee is returned to members when their membership is transferred to a new member (as outlined in the bi-laws). Annual dues are \$700.00. The pool will be staffed with lifeguards from the first day of summer vacation (based on the Lubbock ISD calendar) until Labor Day weekend. Members can also access the pool in May and September for unsupervised swimming. If you have any questions, please feel free to ask one of the lifeguards or contact a Rush Pool Association Officer (officer contact information is posted in the Party House). Thank you for your interest in our pool!
