

NATRC CLINIC

Jennifer's Mountain Horse Farm

Eckert, Colorado

May 19, 2018

9am-4pm

Have you ever wondered what a North American Trail Ride Conference (NATRC) competitive trail ride is all about? Maybe you tried a NATRC ride in the past and would like to learn more and sharpen your skills. Here is your chance to learn from Experienced, Award Winning NATRC Active and Retired Competitors. You will receive realistic "Hands On" with your horse that will mirror an actual NATRC ride.

Come join The Women's Surface Creek Saddle Club who will be sponsoring this event. This club is known as much for fun and great food as they are for their confident trail horses. The clinic will be held at Jennifer's Mountain Horse Farm in Eckert, Colorado which is just off of State Highway 65 between Delta and Cedaredge. The adjoining farm, owned by Bud and Estelle Holmes has a fabulous obstacle course that will also be used during the clinic.

Fees: \$25.00 (includes lunch) - 20 Participants with horses allowed
\$10.00 (includes lunch) - Auditors without horse

Participants to receive a \$25.00 discount to the Island in The Sky Ride 2018. See page 22 for ride details.
