Regulations Regarding Dogs on the Beach

The Wildwood Crest Police Department has received many complaints from concerned citizens regarding dogs running loose on the beach and within the Borough. We would like to remind our residents and visitors that dogs are not permitted to be on the beach at any time during the summer months, and must be leashed at all times when out in public. The ordinances governing these restrictions have been highlighted below. Please expect to see increased enforcement of these regulations in the coming days. Summonses will be issued where necessary. We would like to thank everyone in advance for their cooperation in this matter.
