

**Grain Valley High School
Fall Blue and White Day
Saturday, August 17, 2019**

The purpose of the Blue and White Day is to promote all Fall Activities, to create a near-game or performance atmosphere for students, coaches, and sponsors to compete/practice, and to create a community/fan based atmosphere to watch and support the teams and groups. In addition to the scrimmages, you will have an opportunity to meet your child's coaches and learn how you can support your child's program. Finally, the Booster Club will have Grain Valley apparel available for purchase.

Activities on Blue and White Day- Saturday, Aug 17th

Booster Club will have a pancake breakfast
