Dear Parents,

Summer is almost here! We are looking forward to all the sun and all the fun! And so are the BV kids. We're enjoying playing outside every day and loving the warmer weather. Plus, our spring artwork is looking so good!

We also got to celebrate Easter this past month and had our own Easter Egg hunt which was so much fun! We also got to meet police officers which was really cool!

Here are some of our favorite memories from the past month:

## Teacher Appreciation Week

May 6<sup>th</sup> -10<sup>th</sup>

We would like to take this week of May to show appreciation for all of the hard work our teachers do. Here are a few suggestions we have seen in the past that will make a memorable impression to any teacher!

**Monday** – Bring your teachers a homemade card/picture or bought card to express your appreciation for them.

**Tuesday** – Bring picked or brought flowers

**Wednesday** – Fruits, snacks drinks, candy, cookies, brownies... you're choice! Bring any goody you think they might enjoy

**Thursday** – "Movie Day". Bring your teachers anything you think of when you think of "Movies". Whether it's a bag of popcorn, soda, or even a gift card. Be creative!

**Friday** – Bring your teachers a small gift. Doesn't have to be expensive. Whether it's a pen, pencil, lotion, or a gift card. These gifts can go a long way!

## Mr. Robbie's Joke of the Month

How excited was the gardener about spring? So excited he wet his plants!

## Safety First!

Help your kids stay safe at Beginning Visions with these tips!

- Wear shoes that fit properly that either tie or have Velcro.
- Avoid baggy clothes or hoodies/sweater with ties or cords.
- With the weather getting warmer make sure that you children dress in clothes that are okay to get dirty. We will go outside every day!
