Montessori Third-Year Roundup

We will be hosting a meeting at the Mur-Len school on Tuesday, February 19th at 6:30p.m. to provide you information concerning our third-year Montessori program. This takes the place of the kindergarten year and allows a child to complete our Children's House program. So, whether your child is eligible for kindergarten this next school year or you just want information so you can make an informed choice in the future, bring your child and come find out why that third year is so important!

Inclement Weather

We make every effort to be open on snow days no matter what the school districts decide. However, we must shut down if the Governor of Kansas declares a state of emergency, the city of Olathe instructs us to close, or we cannot get enough staff into the schools. If Agape is going to close for inclement weather, we will post the closing on our website, Facebook page, and send out an email. The website is www.agape-montessori.com

Scholastic Book Orders are due by Feb.18th. Order Code is: GXDDD
