WITH Mother's Day, wedding season, graduations, and birthdays, this time of the year can be stressful and overwhelming when it comes to finding a gift that someone will LOVE! STOP worrying. Sweet E's Bake Shop has the solution. Regardless of the occasion—men, women and kids of all ages love yummy food and scrumptious Sweets. Seriously... cupcakes, cake pops, cookies, bliss bars, cakes, candy—any delicious treat you can think of is waiting to be discovered at Sweet E's. They also make amazing gift packages for any occasion. Even add your company logo for the perfect corporate gift. Sweet E's owner, Erica Tucker (the most gorgeous dessert maker you've ever met) has made it her mission to bake the most decadent desserts on planet earth. Delicious treats such as Chocolate Chip Cookies stuffed with Oreos and Red Velvet Cake Pops, plus being a pet-lover Erica even carries natural dog treats for your pooch. Sweet E's isn't just any store. It's gained an incredible fan base of loyal dessert eaters from numerous appearances on television shows such as Cupcake Wars, Kim Kardashian's Wedding Special, Tia & Tamera's Baby Shower Special, Bravo's - Bethenny Getting Married, and more.

Sweet E's specialty is creating mouth-watering custom desserts—any color, theme or occasion (bridal showers, birthdays, baby showers, proms, weddings, graduations and beyond!) Sweet E's is the place to go to impress your taste buds. Sweet E's also has a well-recognized dessert truck that serves the greater Los Angeles area. Find their location on the Sweet E's website, or call to rent the truck for your own special event. Sweet E's hand-delivers throughout LA and ships nationwide, or visit their bake shop for delicious custom baked goods, as well as fresh baked cakes for last minute dessert shoppers.

Everyone loves sweets, but some don't want the extra calories and others may have health concerns that keep us from indulging. No problem. Sweet E's Bake Shop offers a variety of Gluten-Free, Vegan, and Sugar-Free products. I have allergies myself that limit what I can eat when it comes to sweets. For my birthday last year my "cake" was fruit with candles on top. DUH! Sweet E's can make your custom cake cravings come true with Non-Dairy, Sugar-Free, Wheat-Free delights that taste just like the real thing. YUM! **BHT**
