### IN MEMORY

Swedish diplomat Raoul Wallenberg, born August 4, 1912 in Stockholm. During the Holocaust, Wallenberg saved an estimated 33,000 Jews by issuing thousands of protective documents, by securing the release of Jews from deportation trains, death march convoys, labor service brigades, and by establishing the International Ghetto, a network of 31 protected houses. He was detained by Soviet agents on January 17, 1945, and is believed to have died in prison in 1947.

### SUZIE BLEDSOE

Suzie Bledsoe, one of our beloved parishioners has recently confronted a cancer reoccurrence affecting her tongue and will be undergoing surgery on Monday, August 15<sup>th</sup>. As a result, Suzie will not be able to speak for several weeks during her recovery. She's asked to please use the following link for her updates: [www.caringbridge.org/visit/suzieb](http://www.caringbridge.org/visit/suzieb)

#### What is CaringBridge

Confronting an illness or injury is one of the most demanding, isolating things you can do. Family and friends are an amazing source of support, but constantly sharing updates with each and every one of them is impractical. CaringBridge replaces countless texts and emails with a free, easy-to-use communications platform.

We are continuing to collect food donations for the Hurricane Food Bank and for the Springdale Elementary School.

## CONSTRUCTION

As many of you know and as mentioned in previous bulletins, a new 30'x 50' steel build is scheduled to be constructed in the empty back lot. It will replace two of the existing 8'x40' storage containers located at rear of the parking lot.

It's been a long and arduous journey obtaining the rezoning permit, required engineer drawings, and last but not least, the building permit.

The two 8'x40' containers will be sold and the proceeds will be used to defray the cost of construction.

Applied Geo Tech Consultants will conduct a geotechnical investigation of the soil to determine its stability and determine how much soil will have to be removed to apply the concrete slab on which the building will be situated on.

Many, many, many thanks to *Mr. Lynn Olds* (contractor) who has selflessly, helped us immensely through this project these past few weeks. We owe him a great deal of gratitude and blessings!

# BINGO!

PLEASE SIGN UP AND VOLUNTEER TO HELP PROVIDE SNACKS OR TREATS FOR AFTER MASS. THE SIGN-UP SHEET IS AVAILABLE IN THE KITCHEN. THANK YOU!!

## A LITTLE SUNDAY HUMOR! Provided by: Steve

★ WIFE: Do you want anything to eat? HUSBAND: What are my choices? WIFE: Yes or no. ☺

★ My wife sent me a selfie of her in a new dress and asked, "Does this dress make my hips look big?" I texted back, "Noo!" My phone autocorrected my response to, Moo! I need help! ☺
