# *Recognition Benches*

## at the Colorado State Fair

Recognition benches are a benefit of joining the Colorado State Fair Foundation's Partners of Youth in Ag giving program.

This program adds seating to the fairgrounds, supports the nonprofit mission of the Foundation, and is a great way to honor family, loved ones and memories. Benches are eight feet long and are made of PVC coated steel.

### *Where*

Benches are placed throughout the fairgrounds. You select the color of the bench (red, blue, green or yellow).

### *Timeline*

**Deadline for placement during the 2020 State Fair is June 1st.** However, you can order your bench anytime. Each bench will be placed on the fairgrounds year-round for 5 years.

### *Cost*

Minimum contribution of \$2,500. Each bench is covered by a five-year limited warranty. Benches will remain on the fairgrounds for five years. After five years the Foundation will contact you to arrange pick up or you can donate your bench to the fair or renew your contribution.

## Personalization

Benches can be personalized in two places: with a 14-character message on the backrest and one tamperproof plaque that is attached to the backrest. We invite business names or logos to be included on the plaque. However, text on the backrest may not include name, business name or advocacy message. Only fun fair message allowed on the backrest. Select from the fun fair messages below or create your own 14 space message. The Colorado State Fair reserves the right to edit or reject submissions. You will receive a proof before it goes into production.
