## WMPOCI November 2009 Meeting Report

not have a regular club meeting in December as you know. We did  
great time at the Christmas dinner at Sayfee's. The weather had not  
y good that day to the east of us so Dan Jensen was not able to  
dinner, so we will try to fill you in a little bit.

l was wonderful. It was nice to see some faces that we hadn't seen  
e and do some catching up. There were about 30 people at the din-  
e was a lot of good conversation and laughter.

ing did a terrific job putting a video presentation together of previ-  
activities. What a lot fun has been had over the years as a club. It  
rtaining to see how people have changed over time, most noticea-  
much hair some used to have and how much younger we used to  
was a lot of fun to look back!

chose a charity to give to. Judy Howes brought up a need taken  
Thanksgiving Wish list in the GR Press. The club members who  
sent voted on it and decided it was a great cause. Terri Miller was  
do some checking on how to go about doing that.

ou to those who set up the night for everyone. It was a great time!  
forward to another new year of memory making.

## DUES ARE DUE

It's hard to believe another year is about to start! That means dues are due  
for the new year. This year we are asking you to fill out the membership  
form with your information, even if there hasn't been any changes, and send  
it along with your dues so that we can update our club directory and send out  
a new copy to everyone.

## FROM THE TREASURER

Thank you to all who generously gave for the clubs Christmas charity. We  
collected \$ 310.00 and sent a check to a family in Hudsonville that were fea-  
tured recently in the Thanksgiving Wish section of the GR Press. The 32 yr  
old father is currently in the middle of chemotherapy and radiation for a  
stage 4 glioblasoma. One of their children was born with hydrocephalus,  
and has had three brain operations. This child who is developmentally de-  
layed, attends Ottawa Area Center. Doctors at one time said he might not  
live, they now say he soon may walk. **So Thank You to everyone!**

# HAPPY NEW YEAR

## CHIEF'S CHATTER

I would like to thank everyone who came to the Christmas party at Sayfees'. We had a great turnout, a good meal and a great time of fellowship. I want to thank Cary Hirdes for his leadership the last two years and like they say "behind every good man there is a good woman". So thank you also to Judy.

Our January meeting will be at Famous Dave's again and we will have a very interesting program by Rudy Vredeveld who is an 81 year old mountain climber.

It's not the kind of weather for outdoor car shows but it is the time of year for indoor swap meets. Kalamazoo swap meet will be at the Kalamazoo County Fairgrounds on Feb. 6&7.

There will not be an Autorama in Grand Rapids this year but there will be one in Detroit on Feb. 26-28. The International Auto Show will be on Feb. 4-7. For those who enjoy RVing the DeVos Place will hold the G.R. Camper & RV Show on January 14-17.

We wish the privileged ones who escape to the south for the winter months safe travel, good weather and remember to wear a hat. Those seagulls can be nasty!

My wish is that everyone had a Merry Christmas and that we all have a Fantastic New Year.

We hope to have a club schedule for the new year in the January newsletter.

Ron

# THE ARROWHEAD

## The Preamble

The West Michigan Chapter of the Pontiac-Oakland Club International is dedicated to the ownership and preservation of Pontiacs, all models and years. It is the goal of the chapter to encourage and unite area Pontiac enthusiasts in Chapter sponsored activities and events. The Arrowhead serves as one of the tools to which the Club can fulfill its goals as well as provide information and services to its members.

### January 5, 2010 Meeting @ Famous Dave's

Rudy Vredevelde and his wife will give us a presentation on Rudy's adventures climbing the highest peaks in North America and Europe. This man is 81 years old and still has a passion for climbing. He plans to continue climbing the highest peaks in each country. He hopes to finish the rest of the European countries this summer. We look forward to his presentation.
