## TADPOLES

Parents please make sure you are checking your child's daily report every day. It will include teacher notes, or supplies your child may need the next day (diapers, wipes, extra clothes, and food items). It is extremely important that your child has what they need daily in order for us to provide the upmost care. If you are not receiving your child's daily report please let us know!

Happy  
New Year!
