

THE PLANTATIONS TWO COMMUNITY ASSOCIATION, INC.
SWIMMING POOL RULES AND OPERATING POLICY

IN THE INTEREST OF ENSURING PLEASURABLE SWIMMING FOR ALL, TO ENSURE MAXIMUM SAFETY AND BETTER POOL MANAGEMENT, THE FOLLOWING POLICY HAS BEEN ADOPTED BY THE BOARD OF THE PLANTATIONS TWO HOMEOWNERS COMMUNITY ASSOCIATION, INC.

For the purposes of this policy, "pool" and/or "pool area" is defined as the complete area around the pools enclosed by the fence and also includes the pool building, including the shower rooms and pool office.

GENERAL POLICIES:

1. All members or guests using the pool or pool area do so at their own risk and sole responsibility, and will be held responsible for all actions of their children and guests. Plantations Two assumes no responsibility for any accident or injury in connection with the use of the pool.
 - a. All injuries on Association premises must be reported to the Pool Management. First aid needs will be attended to in the Pool Manager's office.
 - b. Plantations Two will not be responsible for any loss, theft or damage of personal property of any kind. It is strongly recommended that members clearly mark all items brought to the pool.
2. Upon entering the pool, all members must SIGN IN at the admission desk. The pool staff will check for a valid pool pass and photo on the pass as proof of identification. If your photo does not match the filed pool pass, the pool staff may ask for a valid drivers license or ID for proof of address. The pool staff may refuse admission to a member(s) whose pass is non-verifiable or is not filed. If a pool pass is not filed; the attendant will provide the member with a notification sheet so that the member can contact the Plantations Two Business Office for more information. A pool pass that is not in the file is either in default for failure to pay HOA dues or as a result of violation of published HOA rules and regulations including architectural violations. In such cases, admission to the pool may only be approved by the Board after all fees have been paid and all violations corrected.
3. A guest pass will be issued to each member household which will admit 5 guests (2 boxes per guest will be checked off). **A guest is anyone 2 years or older.** Note: All guests must be accompanied by a pool member who is at least 16 years of age unless otherwise approved by a pool committee member. No more than five (5) guests per visit. More than five guests is considered a party and must receive prior approval by a pool committee member. Passes are not transferable.
4. Additional guest passes may be purchased for \$10 (5 guests per pass) at the pool office. Checks only; no cash will be accepted.
5. All guests will receive a wrist band which must be worn for the duration of their visit at the pool. These bands are valid only for the day in which they were purchased.
6. Certified lifeguards will be on duty during all hours of operation. They may use their discretion when enforcing all rules and regulations, in order to provide and maintain a safe and healthy environment. The manager is in charge of the pool and is responsible for ensuring that regulations are obeyed. The manager has been directed by the HOA Board to dismiss from the pool property any adult or child for any infraction of the rules or when safety is threatened. The pool manager can bar any person from the pool for up to one week for each violation or for the remainder of the season for three violations.
7. It is suggested that members who have physical conditions, such as dizziness, fainting spells, etc., make it known to the pool manager for your safety.
