Amy Rich Memorial Trophy

Awarded to a rider 13 and under who compiles the most points in the Amy Rich designated class.

Amy Rich taught riders here in Hawaii for many years. This award was established in her memory to give incentive to the very young and to honor a woman who devoted her life to the encouragement and instruction of young people in the care and riding of horses. This award is open to riders 13 years of age and under who are members of HSA. For an interesting oral history conducted by the Watamull Foundation with Amy Rich, here is a link

Daniel & Frances Harwood Memorial Best Child Rider Award

An award to the child rider demonstrating the best all-around horsemanship as determined by the judge at each competition. Each rider 17 years and under who chooses to participate will be provided a special arm band allowing easy identification by the judge; the armband should be worn in each class in which the rider competes. This award will not be based on total winnings, points accrued or number of classes' entered. Instead, the award will be based on any criteria, objective or subjective, the judge finds appropriate. His/her evaluation of the riders, may include a written test, brief personal interview of the top contenders and may also include the casual observation of riders outside the show ring. Three riders will be chosen from each Hunter show and the rider with the highest score over all of the Hunter Shows will be awarded the trophy at the end of the year.
