This information will not be on the St. Margaret's Centre website as we rent ice from St. Margaret's Centre and the Centre does not run the Canskate program.

Equipment Required:

1. MANDATORY: A CSA-approved, hockey-type helmet, NOT a bicycle helmet. Skaters will not be permitted on the ice without a helmet. The helmet may be with or without a facemask – this is the parents' preference.
2. Gloves/mittens: little hands get very cold falling and getting up again!
No jeans, please – they get very cold and wet and do not move well with the skater.
3. Hockey equipment, such as shin pads, elbow pads, gloves etc. are NOT recommended.
4. No hockey sticks are permitted on CanSkate sessions.
5. No parents permitted on the ice. Please avoid standing by the glass, to enhance your child's concentration and progress. **No parents are permitted in the penalty box/players' bench, as this is a designated first aid area.**
6. Please use assigned dressing rooms to put skates on. Sitting in hallways is dangerous and disrupts flow of traffic.
