## President's Message

**Kat Culkin  
President**

I hope you enjoyed our kick-off speaker of the year, our very own Republican Party of San Diego Chairman, Tony Krvaric. Tony kicked off the year with humor & seriousness in encouraging Republicans to step up and run for office. Tony said "if we don't field candidates, for the 167 county seats not held by republicans that they (DEMS) will win by default". Tony asked us to consider running, Tony asked, "Why not you?" **If you are a registered Republican and can balance your check book...your qualified.** After reviewing my 2017 roster, we have many members that are more than qualified to run. The inexorable truth is that we can't afford to lose this 2018 election. Everything we have worked so hard for is hanging by a string and if we do not get out and do our diligence electing conservative Republicans. The "Women's March" is going to be working tirelessly to turn CA even more blue, if that's possible!

We have members and friends running for office in conjunction with all the other races, that shall surely keep us busy for 2018. President Trump is fulfilling his promises to America and now we must do our part in getting him his Presidential support, ie...Congressional seats to complete his promises to "MAKE AMERICA GREAT AGAIN".

Please join us this month, as we **welcome Kirby Horrell, former SEAL and SIA investigator and Joseph Travers, SIA executive director**, who will share how they are working to save children from under ground sex trafficking. San Diego sex traffickers are making approximately \$810 a year from luring these precious children into the the world of prostitution. Average age of our children are 15yrs.

**We will be passing the hat to collect money for this dedicated organization Saved in America (SAI). In 36 months they have saved 57 children at no cost to their parents.**

## NCRWF Campaign Precinct & Membership Report

### Waskah Whelan

Goals are Important if you want to be successful. As we begin 2018, here are 10 goals I hope we can achieve:

- 1) Equal or better our membership numbers from 2017. Hold evening or weekend community events that draw larger crowds and include your prospective new members...people join "popular" groups.
- 2) Continue registering voters to increase the number of Republicans in San Diego County.
- 3) Establish new ways to communicate with members and the Republican community through social media and at community events. Hand out flyers on your upcoming club speakers and election volunteer activities. Do you have NCRWF business cards in your purse?
- 4) Educate and Motivate members with presentations from inspiring political speakers. Remember, the speaker drives everything. People want to hear the latest political news...give them the chance.
- 5) Attend your local Republican Caucus Meeting (held in odd numbered Months: March, May, etc.) our club and election activities there. Many women attend these meetings that are not members of Advertise RWF. Ask them to join our club in volunteering for a candidate.
- 6) Stress important legislative issues that affect us nationally as well as locally...repealing the Gas Tax in November is a winning issue. Sacramento Democrats propose a new bad idea every week, use them to educate others and get support for our party's positions and candidates...and all our RWF clubs!
- 7) Work to support Donald Trump and his legislative agenda: Write, call and fax various elected representatives locally and nationally to tell them to support the President and his plans on immigration, the budget, health care, etc.
- 8) Celebrate President Trump's successes...tell everyone!
- 9) Very Important: Use your time, your voice, your pen and your money to nt Republican Presidents: Washington, Lincoln and Reagan...along with St. Valentine's Day.

***Wear something Red to the February 12 meeting to celebrate this festive holiday and our Republican Party!***

### NAVAJO CANYON AND SCOTT SHERMAN!

It was time to 'come to the aid of our party,' so NCRWF President, Kat Culkin, Lois Gubitosi and Judy McCarty represented our club at City Hall in support of our 7<sup>th</sup> District SD City Councilman Scott Sherman and his proposal to encourage good government by appointing Council presidents by seniority rather than by majority. The Democrats did not surprise us... they voted No! So much for cooperation.

## Ways and Means

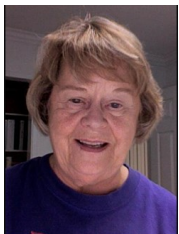

We are actively planning our Road Show Auction and Evening Event to be held at the Elks Lodge in El Cajon on April 10 th , starting at 5 pm. The venue is spacious, the food will be great, and our Programs VP will be arranging for a fabulous speaker. The idea behind this special event is to provide an opportunity for members to invite guests that might otherwise not be able to attend the daytime monthly meetings. Please, please use this opportunity as an outreach to promote our club and its visibility in our community by inviting someone new.

To solicit some feedback on both fundraising and non-fundraising activities, a Ways and Means Activity Survey will be circulated at the February monthly meeting. Some fresh ideas will be sprinkled into this survey to gauge the level of interest for some possible new events.

Thank you to the wonderful people who signed up to help this year with the Ways and Means committee. Help will be needed soon as early as late February so stay tuned.

## Programs

Nancy Murnahan

We are excited to hear our speakers at the February 13th luncheon meeting — Kirby Horrell Vice President and Pastor Joseph Travers Executive Director of Saved in America.

The FBI has identified San Diego as a top child prostitution area and a 2016 study found that sex trafficking was the country's second largest underground economy after drugs. We have issues on our southern border involving both related to drugs and human trafficking. The gangs find 16 year old girls to be a profitable commodity.

Our speakers are from Saved In America, an organization made up of volunteers from law enforcement and Navy Seal who rescue these girls and boys.

### Latest Run Date from San Diego County Voter Registration

Dems...608,059

Republicans...493,412

Decline to state...469,221

June 5 th Statewide Primary Elections.

We will be planning different places to get out and register Republicans ASAP. I am hoping you all will consider helping me on this project. If your uncomfortable because you never have done this in the past, you will be taught. It is very easy. WE NEED YOUR HELP & ASSISTANCE .

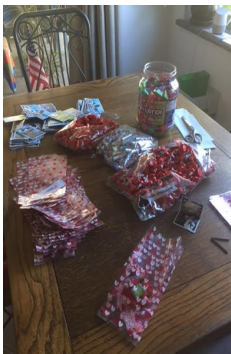

California's poverty rate is the highest in the country, at 20.6 percent. This is based on data from the US Census Bureau, and modified so as to account for the differences in the cost of living between states.

To me, the most embarrassing statistic is that income inequality in CA is at an all time high. This is no surprise, look at the Urban slums and proliferation of tent cities up and down our state.

If you have read the statistics on this page in its entirety , you should want to make this one of your priority's to help turn California RED.

## MILITARY OUTREACH — HEARTS 4 HEROES

Navajo members, Kathie Riesgo, Ellie Cole, and Carleen Grantham joined forces and put together 125 Valentine's Gift Bags for our Veterans at La Jolla VA Hospital! These will be distributed in time for Valentine's Day. Another way that Navajo Canyon shows love and respect for our Military! Great work girls!

## BY-LAWS

### By-Laws Housekeeping

Last Fall we added the 4th Vice President to the Executive Board. There is a reference in our By-Laws to appointing a Precinct Chairman which is redundant. Therefore, we propose to delete the reference to "precinct" as an appointment member of the Board. We will present this at our luncheon meeting on February 13 and ask you to approve this minor change.

**Chaplain's Message**

*"How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!"*

*I John 3:1*

As I look at the world events, it's so easy to be downtrodden & feel that the world of America is going down the tubes. Valentine's Day is around the corner but the vast majority of the citizens here have forgotten how to love; President's Day is coming up (& the actual birthdays of both Lincoln & Washington) but here, most of the citizens act as if they don't have a clue what a president is except to get a day off work or school, let alone use respect when saying his name. Most don't even know what or who the holiday for!

We, in Navajo Canyon RWF, as American citizens, know that to love this country we learn & accept, right or wrong, it's foibles, it's bad points. We grasp at the good, hold tight for the freedoms, pray for the politicians. We work for promise of betterment in all aspects. We are proud to be WOMEN in this nation. We stand for the flag; we kneel at the Cross (or in our temples). We embrace love.

This Valentine's Day let's remember that God is in-charge, in control. He gave us His love so that we can embrace & love those that are against us & the nation. He can bless this nation & somehow I think, no I know, He will.

Happy Presidents Lincoln & Washington Days & Happy Valentine's Day.
