HMS HI-CLIFFE

HMS Hi-Cliffe, owned by Hunter, Morgan, Sydney, Brenda, and Carmen Millham. We are a small family ranch of 20 purebred Polled Herefords. We are passionate about raising quality cattle for the commercial and purebred industry.

The processing protocol: IBR, BVD, BRSV, Pasteurella, Haeophilus, and Blackleg vaccines, endectocides and fly control are given in the spring and fall. Bulls feeding regime: Free choice hay supplemented with Masterfeed Propel and a vitamin/mineral mix.

We raise and breed our bulls for the pasture and commercial industry; fortunately, some are good enough for the show ring and purebred herds
