President's Notes

Hello MTACLB Members!

We have several upcoming events in the remaining few months of the school year. Please consider having your students participate. The calendar of events are outlined in the newsletter in the left column and the full calendar is available online at mtaclb.com.

If you have students new to CM, then our CM Mock Evaluations on March 18th are a wonderful opportunity for students to perform for an evaluator and learn how CM works. Deadline to register has passed for this year, but please keep in mind this great opportunity for the upcoming year. With CM right around the corner (April 1st and 2nd), now is the time to have students practice their pieces and technique by memory and sight-read as much as they can to prepare.

Also, please note, the deadline for the Wheeler Memorial Scholarship has been moved to April 22 from the original date of April 1st.

Remember, you can register for events on our website, and information is also easily found on our Calendar (also on our website)- www.mtaclb.com.

Musically yours,
Laura Dickey
President

Our Second Branch Recital for the 2016 – 2017 season took place on Saturday, February 25th, at the “Newcomb Academy”. There was only one program, of 19 performers, scheduled for 10:00 am.

What made this recital a “Vocalist’s Dream”, was not only did Adriana Manfredi submit the most students for this recital, she also performed in a duet with one of her students. Thank you Adriana!

Our new venue has a better stage, auditorium seating, and better parking. If you haven’t attended or participated in any events here, you will be pleasantly surprised.

The studios represented were those of: Dr. Louise Earhart, Adriana Manfredi, and Lilia Pershina.

All of our students did a very fine job. Congratulations to them and their teachers

Music Teachers Association of California-Long Beach

Background: the Music Students' Service League (MSSL) was formed so that students of MTAC members may have the opportunity to serve the community through music. MTAC awards students community service credit for their time, efforts and talents. These awards, in turn, help students to fulfill their graduation requirements of their schools and other service organizations. Students share their gift of music with the community by giving recitals in senior citizens' homes and by helping with other musical activities. MSSL is a student-run organization under the guidance of an MTAC teacher.
