## President Carl Neely

Greetings everyone,

WOW – August is here. How did that happen so fast? With August comes a lot of changes. School starts soon. SOS Fall Migration is just around the corner and cooler weather can't be far behind. OH Yeah, The YSC 30<sup>th</sup> Anniversary Party is almost here. But first let's talk a little about July.

Our July party was a great one. Gene Hensley was the DJ and he did a great job of playing our kind of music. We had a much larger crowd than our June Party. Oh yeah you might know the "Clover Crowd" won the half & half again. It makes you wonder what are they going to do with all their winnings!

Now back to the plans for the York Shag Club 30<sup>th</sup> Anniversary Party. It will be held on August 7<sup>th</sup> from 7:00 until 11:00 PM. At Spring Lake Country Club. This party will be like no other our club has ever experienced.

First off, a great big THANK YOU goes out to all the member on the Anniversary Party Committee. Many hours of hard work have gone in to the preparation of this party to make it a huge success. When you see anyone, who served on this committee, please give them a pat on the back and let them know what a great job they have done.

**As everyone knows by now this is a member's only and club invited guests who have responded to the RSVP invitation.** We have well over 100 people who plan on attending. The list includes new members, old members, charter members and SOS/ACSC Board Members.

There will be lots and lots of good food, a history of the club, party mementos, a continuous video presentation of some of the good times, old friends and some of the funny, wild and crazy times that we have had. There will be very nice door prizes, a member only cash give away and a good time had by all. I know we are all looking forward to being there!

### Old Cowboy Joke.

An old cowboy walks into his local barber shop and ask the barber if he can give him a really close shave. He tells the barber that his skin is so wrinkled from being out in the sun on his ranch all those years, that he can never shave all the whiskers off himself. The barber says no problem. He reaches behind him and gets a jar full of little wooden balls. He tells the cowboy to put as many of the little balls in his mouth as he can and that will stretch out all the wrinkles. The barber gives the cowboy the closest shave he has ever had. The cowboy is delighted but he tells the barber that he thinks may have swallowed one of those balls. What should he do? The barber says "no problem, just bring it back in 2 or 3 days like everyone else does.

Well time to tell Jeannie to get in the truck!

Carl
