

Last Sunday of the Church Year November 22, 2020

Communion- St. Paul reminds us to examine ourselves before taking the Lord's Supper. Communicants are required to be members of a Lutheran Church-Missouri Synod Congregation. We do this out of pastoral concern and in Christian love. If you have any questions, please see Pastor before worship. Thank you.

Please complete the attendance card and drop it in the baskets provided during communion or on your way out of church. Thank you.

PENNIES FOR LIFE!

In gratitude To God, and as a way of helping the ministry of Lutherans For Life of Iowa, please give a penny in gratitude to God for each year of your life or in remembrance of a life that has blessed yours. The jar is on the desk in the entryway.

Building Healthy Families: If you believe as we do that every life is precious and created by God in His image, then you will be outraged to know that only 30% of babies diagnosed in utero with Down Syndrome ever get the chance to draw a breath: *70% are aborted.* Want to do something about that? Lutheran Family Service is excited to announce a bold new Down Syndrome Adoption Initiative that will reach women who have received a prenatal diagnosis of Down Syndrome and are considering abortion. We will help them choose life for their baby and if needed, find a loving home through adoption. This initiative will also identify and prepare Christian couples to adopt newborns with Down Syndrome. Check out the video on the Lutheran Family Service web page at

www.lutheranfamilyservice.org/pregnancy-support/down-syndrome-adoption/ to meet the DeJong family. They're ready to go and just waiting to meet their newest family member who just happens to have Down Syndrome! While you're there, make a gift through the *For Such a Time as This Year-End Giving Campaign* to help launch this program and welcome these children into God's kingdom! **Lutheran Family Service - www.LutheranFamilyService.org**
