March 1, 2023

**NEW THEME** - With the new month comes a new theme. We are talking about all things Dr. Seuss as well as starting the new theme of "Silly Fun". The second half of the month we will be learning about "Wondrous Weather". We are introducing the letters Ss, Tt, Uu, numbers 15 & 16, blue, and oval.

**MISS BRITTANY'S MESSAGE** - "Oh the places we are going.' The kids are loving our new theme of fun and silliness. The kids are really enjoying being extra silly with everything we do. They are loving our helper this week, The Cat in the Hat! We have a new favorite song called Mr. Clown. They still love playing hide and seek outside and are enjoying all the new toys we got for our classroom. They are all doing so amazing!!"

**BIRTH - 5 YEARS DEVELOPMENTAL SCREENINGS** - This Friday, March 3<sup>rd</sup>, Kremmling Preschool will host the our annual FREE developmental screenings from 830am - 12pm. The Kremmling Preschool facilitates these developmental screenings for children birth - 5 years. They are conducted as a means for families and staff to identify children that are possibly in need of extra family or individual support. They also serve as an opportunity for families to just "check in" with specialists and teachers and see where their child is developmentally. In other words, you don't have to have a concern to attend these screenings, they are open to anyone. If you're interested in having for your child screened or know of someone who you think might benefit, please register soon or contact Michele for more information. Children currently enrolled in preschool DO NOT need to schedule a screening as they have already been screened. Please call Michele at the preschool (970) 724-9483 for more information or to register your child. Space fills quickly!
