Help Hygiene,

Thank you so much for generously donating hygiene and cleaning products to the Housing Programs of Urban Ministry Center, Moore Place and Scattered Site. These will benefit tenants who have experienced chronic homelessness and currently receive little to no income. Because of your donation, tenants will be given the opportunity to maintain their health and cleanliness of their home.

We appreciate your commitment to serving the Charlotte Community!

Last year, Moore Place of Urban Ministry Center

- Housed 120 formerly homeless adults
- Provided hygiene and cleaning products bi-monthly to over 60 no-income tenants
- Reported decreased emergency room visits, inpatient hospitalizations, and days incarcerated for individuals compared to rates prior to housing

Sincerely,

Martha Ryden

Tenant Services Coordinator, Moore Place
