ADOPTION COMMITMENT

THERE ARE NO REFUNDS OF ADOPTION FEES FOR ANY ADOPTED ANIMAL, REGARDLESS OF CAUSE.

I agree to provide proper care for the animal from this time forward and assume all rights and responsibilities associated with pet ownership. This includes, but is not limited to:

- Providing proper nutrition, exercise, shelter, and training
- Providing further veterinary care, regardless of the cause, including taking the animal to the free veterinary exam, within 7 days of the adoption
- Purchasing an annual license if my city, municipality or district requires it
- Keeping the animal's microchip information current

I understand the Lloydminster and District SPCA will not knowingly adopt an animal with health or behavior concerns that have not been revealed to me and that they cannot guarantee the breed, age, behavior or health of any animal once adopted.

I hereby accept the animal as is, assume all risks and responsibilities associated with pet ownership, including bites, and release the Lloydminster and District SPCA and all persons previously involved with the animal from any responsibility to the animal, my family or myself.

Lloydminster Society for the Prevention of Cruelty to Animals

- 🐾 An application for exchange may be made within 10 days of returning the animal or within 10 days of the death of the animal. The decision to grant an exchange is at the sole discretion of the Lloydminster and District SPCA. An exchange will not be granted:
 - If you have had the animal longer than 30 days
 - If the animal is lost or stolen
 - Due to landlord/homeowner/spouse denial
 - The same day an animal is returned

- 🐾 I understand that particular diseases are more common in animals adopted from an animal shelter. Should my animal become seriously ill within 10 days, I am permitted to bring the animal to the Lloydminster and District SPCA for treatment. If my animal is treated by my own veterinarian, the Lloydminster and District SPCA will not reimburse these costs. Should my animal become seriously ill within 30 days, I will inform the Lloydminster and District SPCA of the animal's diagnosis.

- 🐾 I understand that my information will be used internally by the Lloydminster and District SPCA for the purposes of communication and fundraising and will **not** be released to any third parties other than:
 - The microchip company (EIDAP) for identification purposes
 - The insurance company (Pets + Us) for the free 6 week trial
 - The pet food company (Royal Canin) for the adoption kit and newsletter
 - The participating veterinary clinic of my choice for my free veterinary exam
 - The City of Lloydminster, if you reside in the city, for licensing purposes

The Lloydminster and District SPCA will accept the animal back for any reason and encourage you to consider this rather than going to the general public in finding a new home. However, you will have to pay regular Lloydminster and District SPCA surrender fees after owning the animal for 30 days.

By signing this agreement, you hereby release the Lloydminster and District SPCA, its employees and agents from any liability and claim that you have, whether known or unknown, now or in the future, in connection with your adoption, ownership and disposal of any animal adopted from the Lloydminster and District SPCA.

I am of legal age and have read, understood, and agreed to the above.
