Starlite is a correct, beautiful, silky Granddaughter of Argentine Kobra on the top side and GNLC Starbucks on the bottom. Starlite's full sister "TVR Tarbaby's Starstruck" is one of our top winning females with many Best of Shows on her resume. How often do you see or get the opportunity to own these great genetics combined in one llama? This is an opportunity you don't want to miss. Starlite was the 2019 ILR Gathering Best of Show Walking Fiber and Best of Show Shorn Fleece at just 5 months old. She also placed well in a large, tough juvi class as one of the youngest in the class. She is ready to take you to the winner's circle and then on to produce for you in your breeding program.
