

Blue Group Ages 11-13	AM Classes 9am-12pm	PM Classes 1pm-4pm
<p><b>Week 1</b> June 25th - June 29th</p>	<p><b><u>Compassion in Action</u></b> This class is based on four character values: courage, gratitude, forgiveness and compassion. We will spend the week working on how we conduct ourselves, how we treat others, and how to do the right thing. The campers in this class can earn community service hours by participating in activities within the entire camp.</p>	<p><b><u>We Are Family</u></b> Come and be part of the Golden Learning Summer Camp family. During our first week of camp, the campers will get to know one another and all of the staff. The week will include family oriented activities, getting to know you activities, and making new friends.</p>
<p><b>Week 2</b> July 2nd - July 6th</p>	<p><b><u>Explore Your Roots</u></b> Are you interested in your ancestors and their history? This class will dive into learning more about where your family comes from and the events they went through to get to this point in life.</p>	<p><b><u>Honoring Our Veterans</u></b> During 4th of July week, you will learn important facts about the veterans who have served our country, participate in activities that honor our veterans, and understand what it is like to be part of the United States of America. Community service hours will be available for this class.</p>
<p><b>Week 3</b> July 9th - July 13th</p>	<p><b><u>Show Me the Money</u></b> How do you spend your money? Explore the power of personal choices and learn to develop winning moves with money. Learn about checking and savings accounts, budgeting, credit cards, and the stock market.</p>	<p><b><u>Kids in the Kitchen</u></b> Chef Mo (Maureen Simmons) will help you make healthy and delicious meals using lots of locally grown produce. You will get to eat whatever you cook and take home the recipes too! 20 seat limit/Class cost \$100.00.</p>
<p><b>Week 4</b> July 16th - July 20th</p>	<p><b><u>Get Your Groove On</u></b> Every day will cover a decade of music including the songs popular at that time and the artists who performed them. This class will have everyone at camp singing and dancing throughout the day!</p>	<p><b><u>In a Galaxy Far, Far Away</u></b> Summer camp, we have lift off! Come blast off this week as we travel into space! Be part of a special week as we build rockets, orbit the earth, go to the moon for lunch and study the universe. There is a lot to look at out there and we will capture all we can! This week will be out of this world!</p>
<p><b>Week 5</b> July 23rd - July 27th</p>	<p><b><u>STEM Challenge</u></b> This class will engage students in design and engineering challenges that show them just how fun and relevant science, technology, engineering and mathematics (STEM) is to their world. To help battle the school break called summer, we keep those STEM skills fresh and ready to go. We put together a list of super (and FUN!) STEM activities that campers will love- and not even realize they are learning something!</p>	<p><b><u>Strange Things</u></b> Does everyday summer fun sometimes become humdrum? Are you wearing a frown because sometimes you feel like you're caught in the "upsidedown"? In our Strange Things class, we'll examine extraordinary, bizarre, crazy outrageous, icky and amazing facts, figures, and things. We'll also try our hand at creating and designing bizarre, unusual and way out of the ordinary special projects and experiments.</p>
<p><b>Week 6</b> July 30th - August 3rd</p>	<p><b><u>Bring Your Own Device</u></b> Campers will utilize their tablet, phone, IPod, or whatever other device they bring to camp in order to do projects and other fun activities. Our teachers will make sure everything is used correctly and is age appropriate.</p>	<p><b><u>Bakeology</u></b> Discover the joy of baking! Come join Chef Mo (Maureen Simmons) in the kitchen where you will learn to make homemade sweet and savory baked goods from scratch! See how satisfying it can be to measure and mix ingredients together, put them in the oven and wait for the magic to begin. 20 seat limit/Class cost \$100.00.</p>
<p><b>Week 7</b> August 6th - August 10th</p>	<p><b><u>Life Skills for Teens</u></b> Sewing a button, basic first aid, etiquette, organizational skills, and writing a thank you note are just a few items that are part of life but many of us do not know how to do these things. This class will expand your knowledge of basic life skills and will help you with every day responsibilities.</p>	<p><b><u>May the Force Be with You</u></b> Are you prepared to go on the greatest Star Wars adventure ever in a galaxy far, far away? Campers begin the week as Padawans who are preparing to begin their Jedi training. Throughout the week, these Padawans are challenged through daily Star Wars camp activities.</p>
<p><b>Week 8</b> August 13th - August 17th</p>	<p><b><u>Cause an Effect</u></b> Do you want to make a difference in your community or even the world? Develop a cause that you are passionate about and come up with a plan to make a real difference in your community. Community service hours will be available for this class.</p>	<p><b><u>Do You Believe in Magic?</u></b> Wave a wand and PRESTO...make things disappear and put on a show. Using simple props and flexible fingers, learn straight, mental, and comedy magic tricks and techniques. Whether it involves cards, coins, scarves, or other gadgets, you will learn secrets of magic and develop confidence and stage presence as you demonstrate proficiency in performing.</p>
<p><b>Week 9</b> August 20th - August 24th</p>	<p><b><u>Foamin' and Frothin'</u></b> Campers explore a plethora of science activities that either froth up or foam over. We are not responsible if students come home tired from performing hands on experiments and exploring the world of science. We all know kids love science. We all know kids love things that foam up. Put the two together and you have a week that will be awesome!</p>	<p><b><u>Trivia Challenge</u></b> Do you love being able to wow your friends with random details and statistics? Compete in team and head-to-head competitions in classic trivia games and quiz show style rounds. History, science, geography, pop culture... the topics are endless and the competition is formidable!</p>
<p><b>Week 10</b> August 27th - August 31st</p>	<p><b><u>Summer Keepsakes and Memories</u></b> In this final week of camp, we will think about the fun we've had and the new friends we've met this summer. We will do some of the activities you have enjoyed the most this summer and include new ideas as well.</p>	<p><b><u>Summer Keepsakes and Memories</u></b> In this final week of camp, we will think about the fun we've had and the new friends we've met this summer. We will do some of the activities you have enjoyed the most this summer and include new ideas as well.</p>
