

“THE TRUTH” NEWSLETTER (CAN YOU HANDLE THE TRUTH?)

September 15, 2017

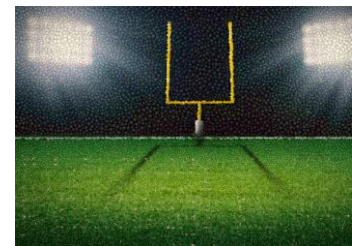

Six years ago, I gave up corporate America! I spent over 30 years of my life as an accountant which includes 15 years as a Certified Public Accountant (CPA). Since that time, I continued to do some accounting as I pursued my passion which is Comedy. Every year I would do less and less accounting with the desire to totally let go, but I was too afraid!! After being diagnosed with breast cancer, I knew it was time to take the plunge. Now, I am 100% committed to entertaining. Book “**The Truth**” for your next event! Don’t wait on a diagnosis to follow your dream! Do it NOW.....

Just give me a mic!

FINANCIAL UPDATE

According to Bankrate.com, less than 26% of Americans have 6 months' worth of emergency funds saved.

Let's start saving today! Try one of these tips and see if one or both make a difference in your savings habit.

1. For 30 days, do not use your credit or debit card. Do everything with cash. If you don't have the cash on hand to buy something...DON'T!
2. Every time you get a \$5-dollar bill in your hand, stash it away and see how much you have at the end of 30 days. Then deposit into your emergency saving fund.

Special Note: Because of the recent breach at Equifax, this is a good time to check your credit report for errors.

AnnualCreditReport.com allows you to access a credit report from each of the three bureaus once a year. If you haven't used up your three for this 12-month period, it may be a good time to check!!

JOKE OF THE MONTH

Joe asked God, "How much is a penny worth in heaven?"
God replied, "\$1 million."
Joe asked, "How long is a minute in heaven?"
God said, "One million years."
Joe asked for a penny.
God said, "Sure, in a minute."
