

Scientific Name

Common Name

<i>Linodendron tulipifera</i>	Tulip Tree
<i>Oxydendrum arboreum</i>	Sourwood
<i>Prunus caroliniana</i>	Carolina Cherry
<i>Syrax japonicus</i>	Japanese Snowbell
<i>Maytenus boria</i>	Mayten Tree
<i>Nyssa sylvatica</i>	Black Tupelo
<i>Acer rubrum</i>	Red maple 'Bowhall'
<i>Acer rubrum</i>	Red Maple 'Flameglow'
<i>Carpinus betulus</i>	Hornbeam 'Fastigiata'
<i>Cercidiphyllum japonicum</i>	Katsura Tree
<i>Celtis australis</i>	Hackberry
<i>Betula jacquemontii</i>	Birch
<i>Populus tremuloides</i>	Quaking Aspen
<i>Pinus thumbergil</i>	Japanese Black Pine
<i>Cercis canadensis</i>	Redbud "Forest Pansy"
<i>Pinus m. mugo</i>	Mugo Pine
<i>Picea glauca</i>	Dwarf Alberta Spruce
<i>Picea abies</i>	Birds Nest Spruce
<i>Mahonia Repens</i>	"Nidiformis"
<i>Quince Chaenomeles</i>	Dwarf Oregon Grape
<i>Forsythia suspensa</i>	Quince
<i>Rosmarinus tuscan blue</i>	Weeping Forsythia
<i>Rosmarinus</i>	Rosemary
	Trailing Rosemary

Scientific Name

Common Name

<i>Narcissus jonquilla</i>	Daffodil
<i>Heuchera micrantha</i>	Coral Bells 'Palace Purple'
<i>Erysimum</i>	Wallflower
<i>Coreopsis auriculata</i>	Dwarf coreopsis 'Nana'
<i>Calibrachoa</i>	Million bells, violet
<i>Spirea japonica</i>	Spirea 'Limemound'
<i>Coreopsis grandifolia</i>	Standard coreopsis 'Sunburst'
<i>Sage menorosa</i>	Purple Sage
<i>Vioal odorata</i>	Sweet Violet
<i>Centaurea cyanus</i>	Cornflower
<i>Rudbeckia</i>	Black-Eyed Susan
<i>Wisteria brachybotrys</i>	Wisteria
<i>Thymus praecox</i>	Elvin Thyme
<i>Thymus praecox "purple"</i>	Purple Creeping Thyme
'wave'	Petunia
'crimson king'	Black Maple
Platanaceae	Sycamore
'brandywine'	Crabapple
Albizia samen	Raintree
'deador'	cedar
'insence'	cedar
'dwarf blue'	spruce
<i>Platanus racemosa</i>	sycamore

PLANT PALETTE

signature mountain theme

Community Pride has planted and maintains several Adopt-A-Spots on U.S. 50 between the Main Street Exit and the Schnell School Road Exit utilizing plants such as California Poppies, Lupine, California Fuchsia, Redwoods, Aspen and Chinese Pistache. Community Pride has chosen to emphasize and help describe Placerville as the “Gateway to the Sierra.” The concept includes a “Flaming Gorge” theme of trees that change color with the seasons, evergreen and white-barked trees, graceful shrubs, a variety of flowers, and low-maintenance, drought-tolerant ground covers. All wildflower and tree plantings are designed to be colorful, low-maintenance and
