

All Potential Competitors.

As of September 2017 we will be accepting all competitor entries via Nominate - www.nominate.com.au

Membership applications will also be managed through Nominate from September onwards.

For EA members who wish to ride in the competitive & participant classes, and EA members who are not SVDC members and wish to ride in the Closed Unrestricted classes - you will need to enter your EA Rider and EA Horse (competitive only) numbers and tick appropriate boxes for entries.

For SVDC members wishing to ride in the Closed Unrestricted classes - you will need to make a rider and horse profile, but at this stage no numbers. We will add the bridle number to the draw as normal. However, you must have your and your horse's name in the appropriate boxes.

Nominate Helpline is available to assist you.

Any issues that can't be solved through Nominate, please e-mail us at svdcaldinga@gmail.com,

Thank you for assisting us in this process.
