

A Call to Service for Leona Valley Town Council Candidates

On Tuesday, November 5, 2019, the Leona Valley Town Council will hold an election for three open seats on the Town Council. Our rural community needs dedicated, service-oriented, Leona Valley residents to represent and protect the interest of Leona Valley citizens. As our community's governmentally recognized representative body, the Town Council serves as Leona Valley's liaison, "watchdog" and action arm in dealing with all government, business and regulatory entities which may influence the Valley's quality of life, interests and rural life style. Serving as a councilperson is an opportunity to make a concrete contribution to a unique community that we enjoy so much.

Duties and demands are modest and are compatible with those of work and family. Service is unpaid, except for the quiet gratitude of your friends, neighbors and government officials. Each council position carries a term of two years and Officers and Directors Liability Insurance is provided at the council's expense. Please consider applying; the rewards of service are well worth the effort.

Leona Valley residents willing to serve their community in this important capacity are encouraged to complete the form below. To be eligible, a candidate must be at least 18 years of age, a Leona Valley resident for at least two years and a registered voter. In order to be included in our local newsletters, submit it no later than September 20, 2019. A "Meet the Candidates" program will be added to the Leona Valley Town Council meeting on Monday, October 14, 2019. The deadline for inclusion on the ballot is October 13, 2019.

For further information, please contact Town Council Election Chair Chris Benjamin at 661-992-8406 or cdbenjamin@live.com. Additional information and a copy of this form are available on our website at: <http://www.leonavalleytc.org>.
