

PRO ACADEMY TOURNAMENTS
"For the love of the game"

Elite level 2007 born International Tournament held at Premia De Dalt, Barcelona Spain February 21st - 23rd 2020

Pro Academy Tournaments are thrilled to once again work with Marin Sports Events as their official agent for what is considered one of the Premier European 11 v 11 tournaments. Each season the tournament goes from strength to strength and the 2019 edition witnessed a magnificent tournament, featuring top level teams with nearly a 1,000 spectators in attendance each day.

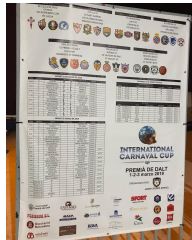

The tournament is restricted to just 28 teams with the 2019 edition featuring the likes of Barcelona, Man City, Valencia, Celta Vigo, Genk, Real Sociedad and RCD Espanyol amongst others. The added bonus for the 2020 tournament is that the teams will play on a newly laid artificial surface so pitch perfection is guaranteed.

Teams can fly into Barcelona and all coach transportations, full board hotel accommodation to suit budgets plus fixtures and tournament entry is included in your Club quote. Additionally the tournament has the ability to provide accommodation and transportation packages for parents who wish to travel either with the team or separately.

By booking early you can guarantee cheap airfares

This really is a tournament to test your players !
