

"Speak to the children of Israel,
that they bring Me an offering.

From everyone who gives it willingly with his
heart you shall take my offering."

Exodus 25:2 (NKJV)

In the light of that verse, the Haitian Mission team at Gainesville Seventh-day Adventist church would like to request your help for the construction of a Temple in Bombardopolis, Nord-Ouest, Haiti. As the members are increasing, it has become a necessity to build a temple for the Lord to facilitate a pleasant atmosphere in which they can worship the Lord. Out of the possibility of financing the construction, we bring forth our request. We are asking for your financial donation. Whatever the amount you wish to donate willingly with your heart; little is worth a lot more than nothing! Many thanks to you and may the Lord bless you abundantly!

For your contribution, please contact the Haitian Mission Team or Nathalie Robert.

HMT Tuition Sponsorship Program

Education is the most important gift one can bless a child with. Unlike the free education system available in America, school is completely privatized in Haiti. So, starting at a very young age, most village children are forced to work the scarcely producing field instead of attending school for a way of life. That is all because the poverty level is very high in the villages. Despite the odds, every Haitian child dreams and prays for a better life through education.

Our team has developed a tuition sponsorship program to help some financially underprivileged village children to attend school. We understand that education is the road map to a better society and that many village children are praying for someone like you to intervene in their education for a better future.

Would you be the answer to a child's prayer?

Five dollars (\$ 5.00) a week can give a child the gift of education and lunch every day.

Yes, I commit to sponsor:

- \$ 5.00 per week for One Child**
- \$ 20.00 per month for One Child**
