## Helen Malenock Award Application

The Association for Radiologic & Imaging Nursing (ARIN) was founded in 1981 as the professional organization representing nurses who practice in diagnostic and therapeutic imaging environments. These nurses provide, promote, and maintain continuity of quality patient care to imaging environments such as general diagnostic, neuro/cardiovascular, interventional, ultrasonography, computerized tomography, nuclear medicine, magnetic resonance, and radiation oncology.

The Helen Malenock Award was established by ARIN to provide financial assistance to a radiological nurse who is interested in becoming a member of ARIN. The recipient will receive a complimentary one year membership in ARIN.

### Eligibility
