

Presidents Message:

The Houghs Neck Community Scholarship Committee will be presenting \$7500.00 to 5 College and 3 High School students from Houghs Neck. The Check Presentations will be held on June 21st at the Community Center at 7:00PM. This is one the events that the Neck Shines as the students are the brightest of all of the applications we received. Every penny of your Tax Deductible Donations go to the students. There are no Administration Fees No bank charges. I want to thank all of you for the wonderful donations we received.

The First Annual Street Hockey Tournament was held June 4th and 5th at the Street Hockey Rink at the Brill Field. Jim Shea chaired the event due to deadlines for the publishing of this issue we will have a report in the July Bulletin.

Three events still to go. First is the Annual Illumination Night to be held the evening of July 2. A team of judges will drive around the neck to find the best illuminated home. If you are interested in participating, Please send an email to hncbulletin@yahoo.com. This is a lot of fun and lots of people light their property.

The next day at Edgewater beach is our annual Family Fun Day. This year it's Sunday July 3, 10 - 1, watch our Web site, Facebook and Next Door Neighbor for any updates.

Then in July on the 19th the council will host a Red Cross Blood Drive in memory of Chris and Trudy Peter. We are excited because this year you can make an appointment on line and pre-register your information so the wait time should be shortened. Eileen Timcoe is the Blood Drive coordinator, contact her at etimcoe@yahoo.com or call 617--479-4107

Have a safe summer Dave

Houghs Neck Illumination Night

Best illuminated house contest July 2nd @ 9:00pm
 A night where we judge the best illuminated house for Independence Day. Use lanterns, lights, candles and fun but also be safe. If you wish to enter into the contest Tom Timcoe or email hncbulletin@yahoo.com
 This event is a revival of an old Houghs Neck tradition when cottages were decorated with Chinese lanterns and bunting, the tradition dates back to the 1880's. We meet at LaBrequette field at 9pm July 2nd and will leave together in a convoy of cars to visit each of the houses. The tour is expected to last 2 hours. This is a free event. For more details email hncbulletin@yahoo

Run to Home Base

Hi everyone, Sean and I are both running the Run to Home Base this year. The Red Sox and Massachusetts General Hospital help military veterans with traumatic brain injury and PTSD and their families through the Home Base Program.

This year's race is on my birthday, July 23rd.

Please donate to one of us if you can. I am sure everyone will want to donate to Sean--but hopefully some of you will take pity on his mother and donate to my fundraising campaign.

Sean's fundraising page is: <http://donate.runtohomebase.org/2016RuntoHomeBase/SeanBleiler>

High School Summer Mission July 23 ~ 30 About 15 High School students have signed up so far, for a Week Long Mission to assist a community in Maine.

Teams of 5-7 youths and 2 adults (always one male and one female) will be assigned a specific work site in the community. As a team they will work together at the specific site and at the Beyond Sunday Mission Homestead. Teams will take turns preparing meals, cleaning the Homestead and creating prayer experiences for the rest of the group.

Work days begin with morning wake-up at 7:00 a.m., prayer, breakfast and then off to the worksites by 8:30 a.m. The length of time spent at a worksite is contingent upon the work being done there, as well as the weather. The groups usually return to the Homestead by 4:00 p.m.

Evenings are spent in a variety of ways. We generally participate in challenging team building activities, prayer experiences and journaling.

One day during the week is a rest day and a day to experience the beauty of the surrounding area. On Friday we hold a closing campfire and sending service.

The Commonwealth of Massachusetts
TACKEY CHAN
 State Representative ~ 2nd Norfolk District,
 State House, Room 26, Boston MA 02133
 Tel. 617-722-2080
 Tackey.Chan@mahouse.gov

The Legislature is in full formal session until the end of July. The Speaker of the House and the House Minority Leader have agreed to hold Saturday sessions in July. As we near the end of June, the July full formal session dates will be released. Even though full formal sessions conclude at the end of day on July 31st, informal sessions will continue. Informal sessions can pass legislation, but it must be unanimous consent and generally only non-controversial legislation is passed.

The House and Senate held another Constitutional Convention in May. The only item on the agenda was House Bill 3933, An Initiative Petition for an Amendment to the Constitution of the Commonwealth to Provide Resources for Education and Transportation through an additional tax on incomes in excess of One Million Dollars. The bill was reported from the Joint Committee on Revenue favorably. This proposal to the Massachusetts Constitution would change the State's flat income tax to a two tiered system, where taxpayers whose income exceeds \$1 million would pay an additional 4% income tax on each dollar over \$1 million. For example, an individual earning \$2 million would be taxed at the current rate of 5.1% for the first million dollars, then every dollar past the first million dollars would be taxed at an additional 4% for a total of 9.1%. This would not affect the law that reduces the state income tax based on economic growth with 5% being the lowest point. This additional tax revenue would be dedicated to

public education and transportation infrastructure. Given that this is a citizen's ballot initiative, 25% of the Constitutional Convention is needed to move it forward in the process. The Constitutional Convention approved the amendment by a vote of 135 to 57. The next step is a vote in the next legislative session where at least 25% of the Constitutional Convention votes in favor. The last step is to put the proposal before the voters in the next election cycle. Should the proposal receive enough votes in 2017, then the voters would get to vote on it on the 2018 November ballot.

The House passed legislation, House Bill 4285, An Act Relative to Housing, Operations, Military Service and Enrichment. The legislation would establish the Office of State Veterans' Homes and Housing which will advise the Department of Veterans' Services and provide oversight for the Commonwealth's two soldiers' homes in Chelsea and Holyoke. It creates an Executive Director position to head the new office. The Executive Director will focus on long-term care and will be responsible for the coordinated implementation and enforcement of laws, regulations and policies.

The legislation would also increase access to housing authorities for disabled, elderly and potentially unemployable veterans through two provisions. It updates existing laws so that "Veterans Status" is a clearly protected employment category. Currently, only active duty personnel are covered. The legislation would expand eligibility to all children of

Prisoners of War (POW) to receive the Public Service Scholarship, where currently only children of Vietnam Era POW are eligible. To accurately reflect the realities of present-day military training, paid public-service leave would now apply to uniformed service officers under this legislation. It extends a total property tax-exemption to service-connected blind veterans who have a 100% disability rating. It would fully abate any property taxes due by a surviving spouse following the death or Missing in Action (MIA) status of a soldier, sailor or member of the National Guard. Lastly, it would extend the Veterans' Long-term Care Commission and rework the Post-Deployment Council, both of which were created through the 2014 VALOR Act and focus on housing and support services for veterans transitioning from active duty to civilian life. The legislation is currently pending in the Senate.

May was Asian American Pacific Islander Month. I was invited to be a speaker at several events, and was in meetings relative to the State's relationship with other countries. I had the honor and privilege of being the keynote speaker at Hanscom Air Force Base. I made a presentation about my life experiences and we discussed Asian Americans contributions to the United States. I was a speaker at the United States Small Business Administration's Asian American Pacific Islander forum, discussing the State's role in small business development. The Asian American Caucus held a screening of the independent film, East of Hollywood, and engaged in a panel discussion with legislators and staff about the portrayals of Asian Americans in the media and entertainment. This year is the tenth

anniversary of the law that established the Massachusetts Asian American Commission. The members of the Asian American Caucus and other legislative leaders held talks with the Chinese Consul General regarding economic development, education and tourism.

We also had the pleasure of hosting Members of Parliament (MP) from the German Bundestag at the State House. The group of MPs we hosted sit on the Bundestag's budget committee. We talked about the differences in our budgetary processes and our legislative procedures.

Play for All Playground is a community based movement lead by Councilor Brad Croall to raise \$30,000 to construct a handicap playground at the Fore River Field. There are very few fully handicap accessible playgrounds in the region and having one in Quincy would benefit many families in Quincy and the South Shore. Councilor Margaret LaForest, Councilor Noel DiBona, myself and many other local officials are supporting this project. The Ward 2 Civic Association has agreed to be the charitable organization collecting funds thereby making donations tax deductible. There is a fundraiser at the Elks Lodge on June 23 from 6:30 to 9:30pm. If you are interested in learning more about this project, please contact Cassandra Beck at 617-359-4272 or c7m7b7@aol.com for more information.

I would like to congratulate the Quincy High School and North Quincy High School graduates. I wish you all the best in your future endeavors.

Happy Flag Day! Tackey

It's great to see the boats being launched and people out on the water. My goal this summer is to get to spend some more time out on the water with my family. Boating has been some of my best memories growing up in Houghs Neck and I hope we have a great summer season. Louis Restaurant is interested in capitalizing on the outdoors and the interest people have in watching the boats go by. I recently held a community meeting to discuss their proposal. The applicant's proposal includes four tables with four seats at each table for food service to be placed under each window on the Bay View Ave side of their property. This will not be a patio for smoking and/or drinking. A railing will be installed parallel to the sidewalk and the dumpster enclosure will be improved. There will not be any outdoor entertainment. This proposal requires review from the Licensing Board and is scheduled for hearing on Tuesday, June 14, 2016 at 4:00pm at Old City Hall, 1305 Hancock Street, First Floor Meeting Room. This is a public hearing and anyone can attend to express their support or opposition to the proposal. If you cannot attend the meeting, you can send a letter by mail to the City Clerk, Nicole Crispo, 1305 Hancock Street, Quincy, MA 02169 or by email. I will be hosting a community meeting on Wednesday, June 15, 2016 at 7:00pm, at the Houghs Neck Maritime Center, 137 Bay View Avenue, to review and discuss a proposal from K&R Auto Body, 1200 Sea Street to increase their hours of operation, increase the number of vehicles allowed and update their business license to include towing, on street loading and offloading to allow for delivery of parts and supplies, and permission to display a sign on the property that is seen from both sides of Sea Street. Located in a Business B zone, an automotive use has operated at this address for decades. The applicant has requested an opportunity to present his proposal to the neighbors before submitting to the License Board for approval. The Business Owner, Brandon Bergstrom, who grew up and lives in Houghs Neck, took over the business from his father Ken and partner Ray Mitchell. He has worked to improve the conditions of the property and wants to bring this successful business to the next level while being respectful of the Residence A zone his business abuts. The City has received complaints regarding work occurring after hours and tow truck parking. Brandon has acknowledged and been responsive to these matters. The community meeting is the first step in the process. This proposal requires approval from the Licensing Board and is scheduled for hearing on Tuesday, June 28, 2016 at 4:00pm

at Old City Hall, 1305 Hancock Street, First Floor Meeting Room. This is a public hearing and anyone can attend to express their support or opposition to the proposal. If you cannot attend the meeting, you can send a letter by mail to the City Clerk, Nicole Crispo, 1305 Hancock Street, Quincy, MA 02169 or by email. Growing up in Houghs Neck, we had a thriving commercial corridor along Sea Street. It's been great to see things reenergized with locally owned businesses. I know my family particularly appreciate the convenience of Hough Many Scoops, which quickly became a neighborhood hot spot. Norfolk County Mosquito control sprays in Quincy every Thursday. To submit a request for a specific address, please visit norfolkcountymosquito.org or call 781-762-3681. Did you know tires are locations for mosquito breeding? If you have any old tires lying around your property, Norfolk County Mosquito control will pick them up and recycle them for you, up to 10 tires per household per calendar year. The Quincy Police

have launched a new website QuincyPolice.org with a mobile app component. I encourage you to use this website, to view the crime map to see activity in your neighborhood or on a specific street. You can also submit an anonymous tip. The message from QPD, is if you see something, say something, it just may be the puzzle piece they need. Our Community Police Officer Bill Mitchell gave an update at the well-attended meeting regarding the Maritime Center project and reports that things have been quiet in the Neck. Check out the website and see the statistics for yourself. As we look ahead to July 3rd, Houghs Neck's

High Holiday, Quincy Police will again have a strong presence in the area, the Fire Department will have an engine stationed on Edgewater Drive, and the City will post parking restrictions. Things have improved dramatically along Edgewater in the past two years. The Houghs Neck Community Council continues the daytime tradition of games and children's entertainment. It was one of my favorite days of the year growing up and I love seeing all the kids having fun getting the summer season underway. Hope to see you on the beach, on the water, or at one of our great neighborhood events. Margaret

Troop 6 News

The Troop has been extremely busy this spring and we have had two amazing trips since I last wrote an article. On April 30th, the scouts left Quincy at the crack of dawn and went up to Crawford Notch in NH. From there, we hiked about 7 miles into Zealand Falls and spent the night at the Appalachian Mountain Club Hut. We checked out the falls, had a snow ball fight (yes, in April!), and dunked our heads in the very refreshing river. We ate like kings and managed to hike our way back out just before the rain hit. It was a very memorable trip and one that really pushed a few of us physically!

On May 20-22, we joined a few hundred other scouts at the New England Dragway in Epping, NH for a camporee! We camped on the race grounds and spent the whole weekend checking out fast cars, motor cycles, and dragsters. The racing was incredible and the smells and sounds of the cars was an experience that none of us will forget. We even were able to go out to the starting line and lead the audience in the Pledge of Allegiance! We also have a full southern barbecue for dinner with slow cooked pulled pork, corn bread, beans, potato salad, and finished it off with strawberry short cakes.

The scouts have also been busy with advancement, community service – including a huge showing for Cleaner Greener, and planning our next trip and getting ready for summer camp. We also recently welcomed 9 new scouts in as they crossed over from Cub Scouts! Like I said, we have been busy!!!

The entire Troop would also like to extend a huge thank you to everyone who participated in the Adult Pinewood Derby this year. The proceeds are a huge boost to our operating budget and really help make scouting affordable for everyone. THANK YOU!!!!

Our next bottle drive is May 18th from 9-12 in Labrecque Field parking lot. This is a week later than usual due to our next trip – sorry for the confusion! Please consider donating your soda and beer bottles to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Yours in Scouting,
Rob Gordon, Troop 6 Scoutmaster, 617-479-7412
