Kona HAWAII Senior Women's Softball Tournament

Sisters Molly and Gayle Maloy playing for
the "Kona Limes"
2017 January Kona, Hawaii

FROM CATHY NICHOLSON (Tournament Coordinator)

ALOHA ALL!

You are invited to join in the fun in January 2018.

If you have some lingering desire to "go" or "go again" then forward this email to all of your softball pals to let them know the dates.

Kona Hawaii that's the BIG Island with perfect weather for everything. It's the island with dramatic volcanoes, green sand beaches, turtles, snorkeling, water falls, and snow (yes snow!).

Everyone is welcome to play. I am planning to create teams that are equally competitive by skill, position and age. Hopefully each team will have young (50) and old (70+), 2 pitchers, infielders and outfielders.

Your cost to me is \$45 which includes the cost of your uniform shirt, 6 games (2 each day) all of the food and party. You will be making all of your own travel arrangements. (the field is located very close to downtown Kona) Plan to stay longer or come earlier so you can see and do it all. Some tournament room rates may be available. I'll let you know about those when I know.

MONDAY Jan 15, 2018 - ALOHA PARTY 3:30 pm - Food Provided

2 games per day - Tuesday - Thursday

Community Senior Women's Softball Newsletter – Gayle Maloy volunteered to publish a newsletter to be distributed by email. Captains will provide hard copies to their respective players who don't have email.

The following rule changes apply to second half of 2017

Summer Season only. Each year, the SWSL rules will be reviewed:

1. **Double Rostered players will now be counted toward the core team.** As such, they may be placed anywhere in the lineup wearing the team shirt for both teams.

Teams affiliated with Silver Gloves will turn in the money received from a double rostered players pay a pro-rated fee and turn in their money to Silver Gloves. Outside teams turn in their money to Pat for SWSL.
2. **Players may change teams during the season.** Both captains must approve. There is no waiting period other than the player must turn in their shirt.
3. **No change to current rule which states "Pickup players must be listed at the bottom of the lineup.** Subs must be listed on the lineup card prior to start of game. These subs cannot take the field unless an injury/illness/emergency, in which case the sub takes the place of the injured player in the batting order.
4. **Subs may be pinch runners** (or as stated in #3). Captains should discuss prior to the start of the game and inform the umpire. Any sub must be listed on the lineup prior to the beginning of the game.

5. **Forfeitures.** Captains must notify Pat in advance before 3PM on Monday's. Failure to do so will cost a team \$25 (umpire fee). Teams who are short players are encouraged to pick up what they need to scrimmage. No notification or fee is required in these cases, and the game is recorded as a forfeit/ scrimmage.
6. **Captains approved the following equalizers.** Beginning 6/19/17 the following will apply for the summer league:

“Wendy” rule. If a batter is unable to reasonably run due to injury or other physical handicaps, a special courtesy runner may be utilized. The runner, acknowledged by umpire, will position herself at the interior backstop pole behind home plate. The batter must make contact with the ball or take a walk before the runner leaves. Otherwise, the umpire will call the batter out. Only one non-running batter may be utilized and must be identified on the lineup card at the start of the game. This runner may not be replaced during the game.

Extra run rule. The top 3 teams (HDD, NM Gold, Last Minute) will give up to 5 runs to the bottom 4 teams (Right Stuff, Jazz, Mixed Silver, 4-Fun Bunch), one run per inning beginning the first inning.

Splitting into two divisions was voted down.

Extra player for 2 bottom teams. Voted to continue allowing the two bottom teams as of 6/19/17 (Mixed Silver and 4-Fun Bunch) the option of 12 defensive players as defined in current rules. This player may be positioned on the infield or outfield and move during the game. These teams may also pick up 3 players (rather than two) plus a pitcher.
