Braille Bible Workshop

The Braille group, Lions and other volunteers, meet every Tuesday at Christ Lutheran Church, 103 Ponferrada Way, from 9 to 11:30 am. They press, bind, package and prepare for mailing Bible chapters to many countries throughout the World. If you would like to join this fun and social group or visit them in action, please contact Lions Floyd Garrot or Mike Vanecek.

Ask1 Campaign

The Club will begin its membership drive at the January 17th meeting with an Ask1 team competition. Lion Dave Schleuse, the campaign chairperson, will outline the details. The goal is to recruit a minimum of 10 new members.

Spring Membership Dinner, March 14th

Lion Ed Smith will be organizing a membership dinner meeting to be held at 6 pm, Thursday, at the Village Church of Christ. Details forthcoming.

Car Pool Needs

Some members have expressed concerns about driving at night to attend our meetings. Lion Larry Bauer is pursuing a strategy to set up a car pool or pools. More as plans develop.

New Member Packets and Orientation

Several initiatives are underway with the goal to enhance our membership drives and orientation program. Lions Pete Beck and John Sawyer are investigating revamping the orientation presentation including developing a video. Another aspect of their work will be to obtain Lion emblems suitable for placement on a car's rear window. The emblems would be given to new and current members.

New Member Packets ...

Lion Mike Vanecek, with the guidance of Lion Jack Wells, is developing a brochure to be shared with new members showing the Lion apparel that can be purchased locally at a lower cost. Also, Lion Jack Wells is investigating the cost of providing a new member with a Lion polo shirt as part of the welcome package.

Business Cards

Lion Mike Vanecek is investigating a cost-effective method to supply all members with business cards or contact cards. The cards could be given to potential members.

Email Lists

The Bingo eBlast list has expanded to 144 subscribers. Bingo workers are handing out individual forms to players to collect more subscribers.

The “member” email list is being expanded to include family and friends (including speakers, business partners, and others that have an interest). They will receive unofficial mailings (such as this newsletter) to keep the Lion family informed of Lion activities. Speakers will now be asked if they want to subscribe. Please send the editor the names/addresses of family and friends that would like to be included.

The official email list will be used for official communications such as dinner reservations.

Social Media

The [webpage](#) is undergoing some changes. Items have been added (Club Supporters) and some changed (format of directory). Please send the webmaster an email if you see something that needs to be fixed, improved, expanded or if you have questions. Please send any complaints to the Club complaint address at .

[Facebook](#) has also undergone a few minor changes. Please follow our Club Facebook @hsvelions and ask friends that might be interested to follow as well. When appropriate, please share stories you see on the Lion Facebook on your own page. Please post stories and photos on the Club Facebook page that you believe it would be of interest to other Lions. Social media gives all Club members a way to share the Lion story with the world.

A list of Bingo dates and team numbers in PDF format is attached. A list of current committee assignments is attached.

DB Corrections

Every member has received an individual message requesting corrections to their information. The LCI database, the Club database, and the correct data are sometimes different. For example, according to the LCI database the majority of Club members were born on January 1st. Please just take a moment and help us get your data correct and consistently recorded. As corrections are made the online directory will contain the updated data. You can see the date on the directory page indicating when it was last updated.

Member Spotlight

As time permits and members participate this section will contain a small bio. Who is that masked man?

Grab Bag

I have two very nice Lion polo shirts. One is a Medium and the other is a Small (Sport Tech Brand). All that would be needed is the name changed. I will have the at the next meeting or you can email the editor if you want them.

This newsletter is an unofficial communication intended to help foster team work and singularity of purpose between Lion Club members, family members, and friends. Any mistakes are those of the editor. No approval by any officer or the Board of Directors should be inferred by anything in this newsletter.

Please send me items of interest you would like to see published. Please send me corrections and suggestions for improvements. Please tell me how I might use this newsletter to better serve the Club. Please send your complaints to the Club complaint address at .
