'Celebrate the Festival of Weeks with the firstfruits of the wheat harvest, and the Festival of Ingathering at the turn of the year. Three times a year all your men are to appear before the Sovereign LORD, the GOD of Israel. I will drive out nations before you and enlarge your territory, and no one will covet your land when you go up three times each year to appear before the LORD your GOD'. –Exodus 22:22-24

The purpose of this study is to chart astronomically the commemoration of the 50th year anniversary of the liberation of Jerusalem during the 1967 *Six Day War* in Israel. The anniversary is based on the 365 day/year count. The Jews celebrated this anniversary on May 25, 2017 according to the *Rabbinical Calendar*. Within the context of this prophetic milestone, the anniversary will be pegged to the *Great Sign of Virgo* as depicted in Revelation 12 and many believe will be realized astronomically on September 23, 2017. What is most notable to observe is that the planet Jupiter in the constellation of *Virgo* appears to take center-stage both in terms of time and its station on the *Ecliptic* during the season of Pentecost. In particular, the retrograde of *Jupiter* concludes on June 9, 2017.

This time and position of *Jupiter* is just after the historical dates of the war from June 5, 1967 to June 10, 1967, that the Jews recaptured the *Temple Mount* and the *Old Jerusalem* sector. This portion of the land in Israel had not been under Jewish control since 70 AD when the Prince that came, Titus destroyed the Temple, the City and exiled the Nation. This study suggests thus that the particular station of *Jupiter* at this Jubilee anniversary also occurs on a Pentecost season. Perhaps such a time is meant as if to portray a prophetic message perhaps. Specifically, *Jupiter* entered the constellation of *Virgo* from the 'head' region on August 13, 2016 and will exit beyond her 'feet', astronomically on October 13, 2017. This will be a total day-count of 1 year and 2 months or 60 weeks and 6 days.

The station of *Jupiter* on June 9, 2017 is dead center in-between the 2 dates of October 13, 2017 when Jupiter exits *Virgo* and when it started its retrograde on February 6, 2017. This position or station of *Jupiter* is when it happens to complete its retrograde that started in February 6, 2017 and ended on June 9, 2017. This timing is uncanny as it is just before the end of the *Six Day War* on June 10, 1967 and 7 day from the day of Pentecost, according to the *Torah Calendar* count for the year 2017. It is as if *Jupiter* is astronomically highlighting this season of Pentecost with its retrograde. There are other unique mathematical correlations concerning *Jupiter* and day-counts during this time.

Numerical Correlations

The actual 'gestation of when *Jupiter* entered the 'womb' of *Virgo's* 'womb' region began on November 20, 2016 based on the modern celestial delineation of the constellation and 'birthed' on September 9, 2017 for a total of 9 months and 20 days. The actual retrograde of *Jupiter* started in February 6, 2017 and ended on June 9, 2017 for a total of 123 days or 4 months and 3 days. Also in comparison, from the start of the retrograde on February 6, 2017 to the 'birthing' of *Jupiter* on September 9, 2017 is 7 months and 3 days. Amazingly, this timespan leaves a difference in terms of time of 3 months and 3 days (33) to the 'birthing' date of September 9, 2017.

It is understood that this typology of *Jupiter* in *Virgo* is akin to a human gestation period and thus many are excited that this *Jupiter-Virgo* phenomenon could be signaling a prophetic event to be shortly fulfilled in light of a 'birthing' or debut of something and/or someone. Again, this study suggests that it will not be the rapture of the *Bride of Christ* but that instead a nefarious 'birthing' as in an advent or debut of the AntiChrist will be had; perhaps. Also amazing is that from the start when *Jupiter* first entered *Virgo* in August 2016 to its exit on October of 2017, *Jupiter's* station of June 9, 2017 is at an approximate *phi ratio* of time to these 2 dates. In addition, the *phi ratio* is seen in other associations of time pertinent to *Jupiter*.

Interestingly, *Jupiter's* June 9, 2017 end of its retrograde is in approximate *phi ratio* to when it first started its retrograde in February 6, 2016 to the *Great American Solar Eclipse* of August 21, 2017. Upon further observation, other celestial occurrences will also have a similar *phi ratio* correlation in terms of their timing. For example, the *Great American Eclipse* is in approximate *phi ratio* of time to the 'birthing' of *Jupiter* on September 9, 2017 and to the Revelation 12 *Great Sign* occurrence. In addition, the 'birthing' of *Jupiter* on September 9, 2017 is in approximate *phi ratio* to the *Great Sign* of Revelation 12 on September 23, 2017 and when *Jupiter* exits the constellation of *Virgo* on October 13, 2017. The following are some of the highlights concerning the *Jupiter-Virgo* correlation in terms of numerical counts and in relation to the Jubilee anniversary of the 6-Day War.

6-Day War liberation of Jerusalem on Jun 7, 1967
= 50th year anniversary in 2017

Shavuot based on the Torah Calendar is on Jun 1-2, 2017

Jupiter celestial 'gestation' in 'womb' of Virgo on Nov 20, 2016 to Sep 9, 2017
= 293 days or 9 months 20 days

Start of Jupiter retrograde on Feb 6, 2017 to end of Jupiter retrograde on Jun 9, 2017
= 123 days or 4 months 3 days

Jupiter retrograde on Feb 6, 2017 to Jupiter 'birthed' on Sep 9, 2017
= 215 days or 7 months 3 days

Jupiter traversing Virgo on Aug 13, 2016 to Oct 13, 2017
= 1 year 2 months (12) or 60 weeks 6 days (66)

The Jubilee War

As noted, the constellation *Virgo*, in the context of the Revelation 12 *Sign* is suggested that it depicts Israel that birthed the Messiah and will have its martyred *Remnant* also raptured during the Tribulation period, whenever that occurs. On an aside note, it is rather interesting that according to the *Gospels*, Jesus celebrated on Earth all the Feasts of YHVH during His lifetime except 1, Shavuot or Pentecost. Is this coincidence or a cryptic clue concerning the Church and the possible Rapture timing? The following are the passages from the *Gospels* that testify of Jesus' involvement with the Holy Feasts of YHVH.

1. *Passover* - John 2v23, John 12v1, 12
2. *Unleavened Bread* - Luke 2v41-43
3. *First Fruits* - Luke 2v41-43
4. *Trumpets* - John 5v1
5. *Day of Atonement* - John 7v8- 11
6. *Tabernacles* - John 7v1-52
7. *Hanukkah* - John 10v22

This study seeks to highlight what the celestial signs will look like in *Virgo* during the Jubilee anniversary of June 7, 1967 when specifically the *Temple Mount* was liberated from the Muslims. Out of all the 12 constellations, *Virgo* is chosen for this Jubilee and Pentecostal correlation with the *6-Day War* anniversary due to the notoriety of the *Great Sign of Virgo* that appears to configure at least astronomically in the Fall of 2017 just after Rosh HaShanah. Another indication of its association with Israel is that the Revelation 12 *Sign* pertains to *Virgo* being depicted as the nation of Israel that gives birth to the Messiah. It is not the Christian Church, nor the Catholic Mary, etc.

Although the Revelation 12 imagery is very striking and has a 'rapture' component, the woman is not of the *Bride of Christ* that is depicted in chapter 4 with the Apostle John. Such a sign in Revelation 12 is given as to what will take place in the future, after the Rapture. The Revelation 12 *Virgo Sign* is just that, a sign that announces what is to come. The 'Sign' is not the event itself and although it occurs astronomically in 2017, its fulfillment may not be seen for years to come perhaps. It could also signal that on the contrary to what most Christians are expecting, the Rapture, the astronomy of prophecy also have its antithesis that has been twisted by Lucifer thanks to the fallen nature of the *Cosmos*, and Humanity.

Nonetheless as in prior studies entitled, *The Olivet Discourse, Keys of Restoration*, this study suggests that Jesus gave prophetic codes that are seeing the eventual timeline of Israel's restoration. These 'Keys' pertain to the sequence of not only Israel's demise for having rejected Jesus as the Messiah and missing His 'day of visitation' but that in such a reverse order, the restoration of the Nation with the Exiles returning was to occur. Then the City to include the *Temple Mount* was to be restored to Israel. Lastly, someday the 3rd Temple will be constructed. Coincidentally, 2018 will be the 70th year anniversary of Israel being 'birthed' in 1948. Moreover, in 2018, it will have been 1948 years since 70 AD. Thus, the *6-Day War* was the 2nd of the 3 prophetic 'Key' restorations codes that will eventually lead to the 70th Week of Daniel.
