

AV Pro Education – Wall Lifter IFP mounts:

Option-A (no: power/buttons, 'sliding' system):

EasiLift Dynamic Height Adjustable TV Wall Mount for 60-90kg TV's

UNIVERSAL
HEIGHT ADJUSTABLE
TV WALL MOUNT
60-90kg

Manufacturer Code **ELTVW6090**

Overview

The EasiLift Dynamic Height adjustable wall mount for Interactive display panel allows users to raise and lower large displays with only a light effort to varied vertical positions. With a vertical movement range of 500mm the Easilift is the perfect wall mount for schools using interactive displays where small children need to reach the interactive panel. Faster and easier than traditional electric mounts with no power required.

- Raise and lower your TV with ease
- Vertical movement range of 500mm
- Supports TV's from 60 to 90kg
- No power required

Option-B (has buttons and a motor/actuator to raise/lower the IFP – operation requires 240V GPO):

Height Adjustable Wall Mount

500mm of Electric Height adjustment at your finger tips

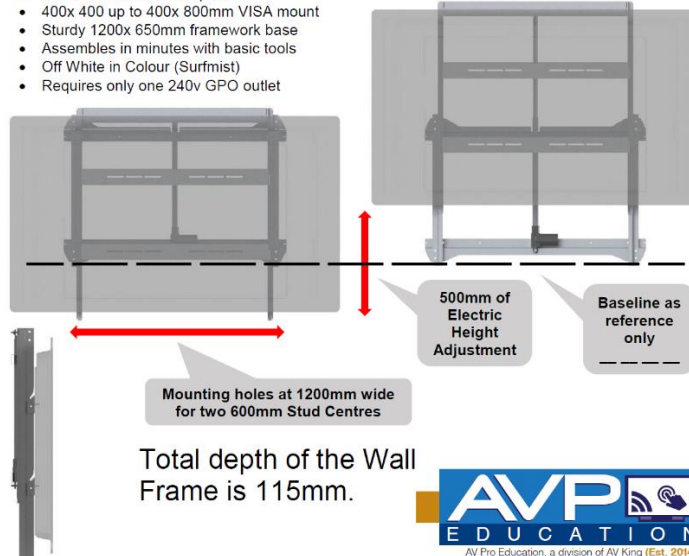

Part Code: HWM Frame: HWM
Floor Supports: HWMA

Designed with touch screen interaction in mind this simple to construct frame will raise and lower up to 150kg's of Touch Screen TV Panel with a simple press of a button. With a 1200mm wide base the frame can be supported along three 600mm wide wall studs or Dyna bolted to a concrete structure.

Features:

- 500mm of electric height adjustment
- Hides behind most 75" panels
- 400x 400 up to 400x 800mm VISA mount
- Sturdy 1200x 650mm framework base
- Assembles in minutes with basic tools
- Off White in Colour (Surfmist)
- Requires only one 240v GPO outlet

Light Grey indicates Touch screen panel
(Based off 75" Touch Panel)
Dark Grey indicates Wall Frame
