

Hello Region 6!

Sorry to open on a sad note but David Bedell is worth honoring.

As many of you know, we lost a dedicated Member of Abate Region 6. David Bedell sadly passed away March 25, 2017. David passed away peacefully and did not have to suffer a long painful death. We are grateful he did not suffer. He will be greatly missed by all of us. To know David was to love David. He never said a bad word about anyone, he seemed to find the good in all of us. What a special man, if only all of mankind was like him. It could be so peaceful here on earth. David pored his heart and soul into the events for Abate Region 6 and attended all events he could, to help support Abate Region 6. Rest in peace David Bedell, you will ride forever in our hearts.

Abate Region 6 would like to wish everyone A Happy an Safe Fourth of July!
