Terms and Conditions Application Approval:

All vendors must send a description of products you plan to sell to gain approval into the show for 2018. You will be subject to denial if your items do not meet the criteria of vendors we are in search of or if we already have many of the same types of vendors in the show already. A balance between the types of vendors at each show is important as the success of each vendor who attends is important. All submissions will be reviewed in a timely manner. A confirmation or denial email will be sent within 1 week of receiving the application, along with an invoice for payment to those who are accepted.

Direct Selling Businesses (Scentsy, Mary Kay etc.):

We will only allow one vendor per direct selling business and is approved on a first come, first serve basis. Representatives are only allowed in the show with product to sell. The show is intended as a shopping experience for the customers. If your company does not allow cash and carry items at tradeshow or you are unable to purchase stock, your application will be denied.

Food Vendors:

No Food Vendors will be allowed. Homemade baked pies, cookies etc. are not allowed if you do not have a license to do so and are not in compliance with correct labeling of foods.

The Show Director has the final decision regarding acceptance or denial of exhibits.

Booth subletting is not allowed.

Booth sharing is not allowed.

All show decisions including booth location are made by the Show Director.

No protrusion of booths, exhibits, chairs, etc. in aisles.

No early tear downs!

Vendors must provide their own tables and chairs.

Booth Fees will be refunded, less a \$25.00 service charge, if booth(s) are canceled more than 30 days in advance of the show. Booth Fees are non-refundable when and if a vendor cancels in the last 30 days prior to the show.

A NSF Fee of \$50 will be charged for any returned checks.
